

Zion Massage College
567 S Valley View Dr. St George, Utah 84770
435-261-4203

Fire Evacuation Protocol at Zion Massage College:

1. Stop all activities immediately upon noticing or being notified of a fire.
2. Assess that all persons, including students and staff members, can safely evacuate the area. Assist anyone who may require help to evacuate.
3. Follow EXIT signs to the nearest safe exit.
4. Steer clear of hazards such as smoke, flames, or falling debris while evacuating.
5. Move quickly but calmly away from the building and gather at the designated assembly point. Our assembly point is located at the bus stop at the edge of the Green Valley mall parking lot alongside Valley View Drive.
6. Once outside, remain at the assembly point until further instructions are given by emergency responders or college staff.
7. Do not re-enter the building under any circumstances unless you receive an "all clear" signal from authorized personnel or emergency responders.
8. If you encounter anyone who is unable to evacuate, inform emergency responders immediately of their location.

Remember, safety is our top priority. Familiarize yourself with the fire escape plan posted in each classroom and main office area, and be prepared to act quickly and decisively in the event of a fire emergency.
