About Zion Massage College

Campus Location and Facilities:

Zion Massage College is located in the beautiful Green Valley area of St. George, Utah. Students enjoy a peaceful, ideal learning environment surrounded by Southern Utah's Red Rock cliffs and desert. The picturesque Snow Canyon State Park is within a 15-minute drive from the campus and Zion National Park is just 1 hour away.

The college offers ample parking and consists of 5 spacious classrooms, reception areas, student and faculty break areas, an office and restroom facilities. The college offers wireless internet, Ashiatsu Bars which are used in several massage modalities, private curtained massage areas and a variety of state-of-the-art massage tables and supplies. To effectively teach complex hands-on technique, class size is limited to a student/teacher ratio of one teacher for every 20 students.

The student break area is equipped with a water station, a microwave, coffee maker, tea pots and shelving to store student supplies and personal items.

Zion Massage College gives students a competitive advantage with small class sizes, experienced faculty, and a commitment to teaching our students a blend of the most effective massage modalities from around the world.

Mission Statement:

To educate and inspire our students to become industry leaders with diverse knowledge, skill, and intuition which they effectively use to foster health and well-being in themselves, their clients and in the communities in which they serve.

Philosophy and Purpose:

ZMC offers a 600-hour Foundational Massage Therapy program, where students are taught a blend of Western and Eastern Massage Techniques and Modalities, which focus on a touch-based holistic approach to mind, body, and spirit health.

In addition to the foundational massage therapy program, ZMC offers a 900 hour Professional Massage Therapy Program and continuing education opportunities for licensed massage therapy professionals such as, advanced courses in Thai Massage, Chinese Cupping Massage, Gua-Sha Massage, Chavutti Thirumal, Ashiatsu, Reiki, Chi Nei Tsang, Thai Abdominal Massage, Hot Stone Massage, Cranio-Sacral Therapy, and Massage Therapist Self Care Techniques such as Postural Yoga, Qi-Gong, and Meditation. By bringing continuing education opportunities to our community, ZMC supports lifelong learning for its students, staff members, and for Licensed Massage Therapists that wish to continue their education.

In many parts of the East, massage, meditation, and mind/body exercises such as Tai-Chi/Qi-Gong (in China, Vietnam, and Thailand) and Yoga (in India) are a daily part of the community and an individual's health practice. From experiencing the way in which these cultures focus on preventative and holistic health, we believe that all individuals can benefit from a basic knowledge of mind/body health practices. ZMC encourages and supports its students and graduates in teaching their clients how to perform self-care activities to relieve stress, promote overall health and to assist in the effectiveness of the overall massage care plan.

Goals and Objectives:

- ZMC students receive a comprehensive, well rounded, quality education. ZMC training draws from massage modalities around the world. This prepares students with a solid knowledge base and advanced training in the field of Massage Therapy.
- ZMC students are prepared to become leaders and innovators in the field of Massage Therapy.

- ZMC students are prepared to work effectively with other health care providers, in both Western and Eastern Medical approaches.
- Education at ZMC prepares students to pass the MBLEx and state licensures for which they qualify.
- ZMC students set an example of excellence and professionalism in the field of Massage Therapy.
- ZMC instructors model the importance of continuing a lifelong practice of research, learning and improvement in the field of massage therapy.

History and Ownership:

The Director and faculty of Zion Massage College have extensive healthcare and management backgrounds. Founded in 2012 by Rebecca Farraway, LMT, Zion Massage College was created with the goal of teaching prospective Massage Therapists the most effective Eastern and Western based massage and hands on healing modalities and techniques. Zion Massage College's campus offers a learning environment, which supports the demands of a comprehensive hands-on, results oriented education. Students are prepared to effectively help clients recover from injury, reduce stress, and resolve pain to live healthier lives.

Administrative Office Hours:

Times are MST (Mountain Standard Time): Monday – Saturday: 9:00 a.m. – 5:00 p.m.; Sunday: CLOSED

Course Hours:

Zion Massage College offers the choice of day, evening, or all day classes. The Foundational Massage Therapy Program runs approximately 30 - 32 weeks (about 7 -7.5 months in length) depending on cohort and schedule. Class schedules can be found on the Zion Massage College website at www.zmc.edu.

- **Day classes run Monday – Fridays 9 a.m. – 1 p.m.**
- **Evening classes run Monday – Fridays 5 p.m. – 9 p.m.**

- **All Day classes run either Mondays-Tuesdays 9 a.m. - 1 p.m. and 5 p.m. - 9 p.m. and Wednesday mornings from 9 a.m - 1 p.m. or Wednesdays-Thursdays 9 a.m. - 1 p.m. and 5 p.m. - 9 p.m. and Friday mornings from 9 a.m - 1 p.m.**

The student massage clinical internship is part of ZMC's core curriculum and is considered a course. Students receive a grade based on participation, professionalism, and Instructor/client reviews. The student selects the course times from the existing clinic schedule offerings. Students may begin the clinical internship after successful completion of Massage Therapy Core I. Students complete 100 hours of massage, which breaks down to 5 massages per week for a total of 20 weeks. If desired, students may choose to complete additional massages each week and complete the 100-hour massage requirement at a faster pace.

Administrative Staff and Faculty:

Founder/President/Instructor Rebecca Faraway, LMT, RYT 200, BCTMB - DOPL License #4858760-4701

Rebecca has been a Licensed Massage Therapist for over 25 years and an educator for more than 20 years. She graduated from Utah College of Massage Therapy in June of 1995. She went on to teach Reflexology, Shiatsu, and Hydrotherapy at UCMT for 7 years. Since 1995, Rebecca has been active in studying and teaching massage and bodywork modalities from around the world such as Gua-Sha, Tui-Na, Chi-Nei-Tsang, and Holographic model techniques from China, Chivutti Thirumal from Ayurvedic tradition in India, Thai Massage, Tok-Sen, Thai Abdominal massage and many other styles of massage and bodywork. Rebecca continues to actively seek out the best hands-on healing techniques. Rebecca is passionate about and committed to her profession as a Licensed Massage Therapist(LMT). She exemplifies her belief in lifelong learning through her extensive and continued studies of massage and touch-based healing in the United States, Thailand, India, China, Europe, South East Asia and, in North, Central and South America. Rebecca is especially passionate about researching, discovering, and sharing effective traditional medical and healing techniques from around the world. In addition to her love of massage therapy and bodywork, Rebecca is a Qi-Gong and Yoga Instructor, musician, and writer. Rebecca offers and leads traditional healing study-abroad experiences around the world. She enjoys spending time outdoors, meditating, hiking, canyoneering, mountain biking, rafting, skiing and backpacking.

Program Facilitator Dexter Merkling, DC, AC, LMT - DOPL Licenses #12810927-4810; 12810927-1202;

Dr Dexter Merkling was born and raised in Colorado, where he grew up loving the outdoors and playing music. Since then he has spent over half his life working in the hands on health care field. First as a massage therapist, where he took his training on the road to 5 different states. He has continued his education to include a degree in Athletic Training and becoming a Doctor of Chiropractic. His focus is on injury recovery and getting people back to doing the activities they love to do. He spent his first years as a Massage Therapist at Massage Envy, helping as many different people from every walk of life. Then went on to work with Santa Clara University Rugby and their club sports teams as an Athletic trainer. Now he has his own private practice where he incorporates all of his training to care for his patients.

Instructor Karey Kosorok MS, LMT, CLT - DOPL License #6510087-4701

Karey's first career interest was to become a massage therapist, however she opted to attend college instead. After graduating, she taught high school biology and chemistry for several years before deciding to stay home full-time to be with her young family . In 2005 the call to become a massage therapist grew strong once again; she enrolled at Ann Arbor Institute of Massage in Ann Arbor, Michigan in the fall of 2005 and graduated a year later. Soon after, she moved to St George with her two young sons, enjoying the sun and outdoor adventures here ever since. Karey is certified in Orthopedic Massage and as a certified lymphedema therapist. She has also taken several classes in CranioSacral therapy and Energy Balancing. In addition to being an instructor at ZMC, Karey has a private massage and bodywork practice in St George. She is passionate about helping her clients feel their best, and loves being a part of her students' journey as they embark in their own amazing and fulfilling career as a massage therapist. Karey enjoys hiking, trail running, swimming, gardening, backpacking, cycling, watersports and is game to try just about anything else that doesn't require her to jump from high heights!

Instructor Samantha Brown, LMT - DOPL License #11080988-4701

Samantha Brown is a born and raised local of Saint George Utah. She studied Massage Therapy at Zion Massage College and graduated in 2018. She has an extensive resume with multiple bodywork jobs around southern Utah and recently became a Clinic Facilitator with ZMC. With her passion for learning and striving to be better, she has continued learning by taking additional continuing education hours and other certifications in the field. Working multiple jobs at a time, she is also enrolled in the Teachers Assistant program to become an instructor with the school. When she isn't working or learning, she spends time with her friends, family, her loving boyfriend and their pitbull Gypsy. Her active lifestyle includes daily exercise, new adventures, her favorite music, some great food and receiving regular massages.

Instructor Tami Painton, LMT, CFZP - DOPL License #12837693-4701

Tami has always had a passion for continuing education, especially with regards to the human body and its amazing healing powers. After receiving her college degree in Health Promotion from BYU, she has, in some way, been involved in the health and wellness industry for over 25 years. While living in Hawaii, Tami discovered her passion for holistic health and the benefits of combining Eastern and Western medicine and the importance of physical, mental, emotional and spiritual health to help individuals heal and become the best versions of themselves. Tami was certified as a Foot Zone Practitioner in 2017. Foot Zoning can help release energetic and emotional energy and aid in healing the body through acupressure points in the feet that once activated sends healing information in the form of electromagnetic impulses throughout the entire body, bringing the four bodies of health back into balance. After she moved to St. George with her kids in 2018, Tami was certified as an Instructor for the Foot Zone certification course and then became a Licensed Massage Therapist after graduating from Zion Massage College. Tami has a private practice here in St George and enjoys teaching at Zion Massage College and passing along her excitement of learning about the human body. Come join us on this journey. Let's learn together, work together and heal together.

Instructor/Clinic Facilitator Allie Robbins, LMT - DOPL License #12419996-4701

Allie Robbins is a licensed massage therapist from Delta, Utah. She has a passion for all things learning - especially about the body and understanding why and how it works. She graduated from Aveda Institute Provo in 2021 and has a strong desire for massage and bodywork healing. She has a background in physical therapy offices and has a Bachelors of Science majoring in Exercise Science from Utah Tech University. After sitting in a classroom her whole life she has a newfound love as she teaches students and peers. Allie is also a Florist and enjoys being creative and artistic with beautiful florals. She is also open-water scuba certified and loves the ocean. She has an obsession with cooking, and baking especially for her loved ones. She married her childhood best friend and loves spending time with him and her family.

Instructor Sydney Gossett, LMT - DOPL License #9622095-4701

Sydney has a passion for learning, personal growth, and helping others live happier, healthier lives. Her interest in the connection between body and mind led her to pursue a career in massage therapy and holistic healing. Since graduating in 2020, she has expanded her training in a variety of eastern and western modalities, as well as energy work, to deepen her understanding of holistic wellness. As a teacher, Sydney strives to inspire curiosity, encourage growth, and share wellness practices while celebrating the unique journeys of her students. Living in St. George, UT, she enjoys swimming, hiking, backpacking, adventures with her dog, and participating in local community events. She also incorporates creativity and movement into her life through art, dance, breathwork, meditation, and Qi Gong, and looks forward to sharing these practices with her clients and students.

Instructor Christina Frantzen LMT, BCTMB, MLD-C - DOPL License #8817032-4701

Christina has over 20 years experience as a Licensed Massage Therapist including 10+ years of Spa Management Experience and managing the #1 Spa in the Nation, Conde Nast Traveler. In addition to her experience with massage therapy, Christina holds a Bachelor of Science in Psychology, a Bachelor of Health Sciences with an emphasis in Physical Therapy and Medical Social Work, and an Associate of Science. In 2014 Christina moved from California to St. George. Upon moving to St. George, she began working at MoVara Fitness Resort and Spa as an LMT and also began working as an Instructor at Zion Massage College. From the moment we met Christina, the ZMC team knew that she was a valuable and perfect match for our college's mission, values and for the quality education, which we continually strive to give our students. Christina loves to hike in nature, spending time with those closest to her, and learning. Christina specializes in a variety of modalities, including Ashiatsu - Barefoot Massage, Medical Massage, Lymphatic, Hot Stone, Pregnancy Massage, Reflexology and has extensively studied water-based modalities such as WATSU® and Aquatic Integration. Christina is a strong advocate of lifelong learning not only within the massage therapy profession but in all aspects of life.

Instructor Everett Hunt, LMT, SI - DOPL License #6165349-4701

Everett attended UCMT in Salt Lake City, Utah, 2005-2006. During that time, he learned how fascia can be changed to manipulate and shape the body. Not knowing where massage therapy would eventually take him, Everett found his path with Structural Integration. After graduating in March of 2006, Everett completed a graduate program with Structural Bodyworks in Kaysville, Utah. Following school, Everett began working in Park City, Utah and quickly built a clientele consisting of Olympic skiers and gymnasts. After gaining valuable experience, Everett eventually moved to St. George where he works as the Spa Manager at Sagestone Spa. Everett practices and embodies his belief that through proper body mechanics as taught in school, therapists can enjoy a massage career which spans many decades.

Instructor Rocio Lopez, LMT - DOPL License #12476253-4701

Originally from California, Rocio has resided in St. George for the last several years. She has an Associate Degree from Dixie State University. She loves helping the students, staff members and guests at Zion Massage College. Rocio graduated from ZMC in 2021 and loves using the knowledge she gained to help her clients and students. Her calm, kind nature, intelligence, and ability to listen to others are a breath of fresh air to everyone that meets

her. When not working, you can find her spending time with family, playing with her mini Schnauzer, or reading a book. We are so grateful to have her as part of our team.

Financial Aid Advisor, Dagny Lavaki

Dagny values the simple things in life—spending time with her family, enjoying a good movie, reading, and exploring the world of math. She has a love for comedy, finding joy in laughter and the lighter side of life. Born in Hawaii and raised as a military child, she's had the opportunity to experience new places and cultures, which fueled her love for trying new things. Road trips are one of her favorite ways to create lasting memories with loved ones. Recently, she earned her bachelor's in Human Resource Management, eager to apply her knowledge and skills in the professional world. She has settled down in St. George and absolutely loves it here. For her, life is all about cherishing the small moments, learning, and creating new experiences.

Teaching Assistant/Instructor Elese Clayton, LMT - DOPL License #14203292-4701

Elese is a recently licensed massage therapist and graduate from ZMC. She also has a Bachelor's Degree in Exercise Science from Utah Tech University. During her time at UT, she learned many valuable things about the human body that eventually led her to pursuing a massage therapy career. She loves to share her knowledge and passion for the human body with others. Elese also has a love for running, hiking, kayaking, camping, and many other outdoor activities. She also loves board games and spending time with her husband and 4 kids.

Teaching Assistant/Instructor Teryn McLaws, LMT - DOPL License #14187794-4701

Teryn grew up in North California. She attended McDaniel College and played volleyball there all four years while getting her Bachelors degree in Kinesiology. Her experiences in sports and fascination with the body led her towards a career in massage. She graduated from Zion Massage College in 2024. She started working at ZMC in 2025 and has loved every second of it. Teryn loves playing board games and video games with her family and plays volleyball every chance she can get.

Teaching Assistant/Instructor LaTressa Smith, LMT - DOPL License #14203790-4701

LaTressa is a recent graduate of Zion Massage College and is excited with her career as a licensed massage therapist. She is passionate about helping others on their path to healing and wellness and looks forward to continuing to learn new skills and modalities. With over 12 years of experience as a paraprofessional in the Washington County School District, she has developed a love for helping students grow and learning to teach in ways that suit individual needs. At ZMC, she is thrilled to educate future massage therapists and share her enthusiasm for learning. Outside of work, LaTressa is an artist and musician, drawing inspiration from nature, emotions, and life's adventures. She especially looks forward to incorporating music into her massage practice to enhance client comfort, relaxation, and healing. She cherishes time with her family, friends, and dog.

Clinic Facilitator/Teaching Assistant Jessie Lyman, LMT, Reiki Master - DOPL License #12529715-4701

Jessie is a licensed massage therapist and Reiki Master with a passion for helping others heal and grow. She graduated from Healing Mountain Massage School in 2021 and has been practicing massage therapy for four years, blending structural bodywork with intuitive energy work to support whole body wellness and health. Originally from northern Utah, Jessie relocated to St. George in 2024 and now serves as a clinic facilitator and teaching assistant at Zion Massage College. She finds great joy in mentoring students and inspiring them as they begin their own journeys into bodywork and holistic health. Jessie has been a Reiki Master for over five years and brings a grounded, compassionate presence to every session. She has a deep love for anatomy, structural integration, and continuing education, always seeking to expand her knowledge and refine her skills. Outside of the clinic, Jessie enjoys reading, hiking, practicing yoga, and spending time with her animals, friends, and family.

Front Desk Receptionist Alison Salone

Alison is semi-retired and has lived in St. George for more than 10 years. She spent many years working in accounting before returning to school to pursue a career change. In 2013, she graduated from Pima Medical in

Mesa, AZ, with an associate's degree as a Physical Therapist Assistant. Alison is inspired by students who are transforming their lives through education at Zion Massage College. In her free time, she enjoys Pilates, spending time outdoors in beautiful Southern Utah, and riding her horse.

Front Desk Receptionist Lucy Bloxham

Lucy Bloxham is originally from Las Vegas. You can find her helping students and clients alike at the front desk of ZMC. Lucy is proud to have three amazing daughters and loves to spend time with friends and family.

Bookkeeper Jon Stark

Jon Stark has recently retired from Rize Capital as Chief Financial Officer, overseeing all facets of the accounting and financial reporting operations for the company. Jon brings 40 years of career experience, amassing extensive knowledge and background in managing the generation of sophisticated tax reports and financial statements. Prior to joining Rize Capital, Jon spent 4 years as an Accounting Manager for a large commercial property management company in Southern California. The company managed over one hundred commercial and industrial properties along with several commercial building owners' associations. Prior to that position, Jon was Corporate Controller for a National commercial real estate investment company. Other experience includes working as a Controller for various residential real estate developers in the Southern California Area. Jon also has owned and operated his own Income Tax Consulting and Accounting Company that assisted small businesses and individuals. He is licensed by the Internal Revenue Service as an Enrolled Agent. Jon has also taught college level courses for private and community colleges in Southern California in the areas of Accounting, Finance, and Income Tax. Jon has a bachelor's degree in Accounting and Finance from California Polytechnic University at Pomona. He also has earned a Master of Business Administration from the University of La Verne. Jon is a Widower and has a daughter and grandchildren. His hobbies include water sports and SCUBA Diving.

- Do **not** affect the amount of Title IV funds the institution may retain
- May be included in the student's **Cost of Attendance (COA)** for financial aid eligibility purposes, in accordance with federal regulations

Tuition, Financing Options and Tuition Schedule:

Zion Massage College (ZMC) offers several tuition financing and payment options to assist students in meeting the cost of attendance for the **600-hour Professional Massage Therapy Program**. All financing options are subject to eligibility requirements and applicable federal, state, and institutional regulations.

Program Structure for Tuition and Financial Aid Purposes

The Professional Massage Therapy Program consists of **600 clock hours**, completed over approximately **30 weeks**. For federal financial aid and administrative purposes, the program is divided into **two payment periods**

of 300 clock hours each. This division is used solely for **Title IV disbursement and monitoring purposes** and does not alter the total tuition or institutional charges for the program.

Federal Student Aid (Title IV)

Zion Massage College is approved to participate in the **Federal Student Aid (Title IV)** programs for eligible students.

To apply for federal financial aid, students must complete the **Free Application for Federal Student Aid (FAFSA)** at: <https://studentaid.gov/sa/fafsa>

Questions regarding the federal financial aid process may be directed to ZMC's Financial Aid Office at **435-359-9828**.

Federal financial aid eligibility, disbursement, continuation, and repayment obligations are governed by **federal law and regulations**. Receipt of federal aid is **not guaranteed** and is contingent upon meeting all applicable eligibility, enrollment, and Satisfactory Academic Progress (SAP) requirements.

Institutional Tuition Payment Plan

Zion Massage College offers an **interest-free institutional tuition payment plan** for students who qualify.

- A down payment may be required at enrollment
- The remaining tuition balance is divided into scheduled monthly payments
- All institutional charges must be paid in full **prior to graduation**, unless otherwise required by law

ZMC does **not charge interest or financing fees** on institutional payment plans.

Other Approved Funding Sources

Zion Massage College is approved to accept funding from the following sources, for students who qualify:

Utah Department of Vocational Rehabilitation (DVR)

Eligible students may receive tuition assistance through the Utah Department of Vocational Rehabilitation, subject to agency approval and funding availability.

Veterans Education Benefits (GI Bill®)

ZMC is approved to accept **VA education benefits** for eligible students.

"GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at: <https://www.va.gov/education>"

VA students are subject to applicable VA attendance, refund, and reporting requirements in addition to institutional policies.

Tuition Earning, Refunds, and Withdrawal

Zion Massage College's **Institutional Refund Policy** and **Return of Title IV Funds (R2T4)** policy are described in detail elsewhere in this catalog and in the Enrollment Agreement.

Key points include:

- Tuition begins to be earned with the student's **first clock hour of attendance**
- Tuition is earned on a **prorated basis** through the student's **Last Date of Attendance (LDA)** until the **two-thirds (2/3) point**
- Tuition is considered **fully earned after completion of 400 clock hours** (2/3 of the program)
- Withdrawals after the 2/3 point result in responsibility for **100% of tuition**

Institutional refunds and Title IV returns are calculated separately and may result in a student owing a balance to the school after withdrawal.

Students should review the full Refund Policy and R2T4 section of this catalog prior to enrollment.

Tuition Discounts, Scholarships, and Pricing Adjustments

ZMC may offer tuition discounts or pricing adjustments based on eligibility and availability. Any approved discount is:

- Clearly disclosed in writing
- Reflected in the student's Enrollment Agreement
- Not contingent upon program completion
- Not retroactively removed solely due to withdrawal or dismissal

If a student withdraws or is dismissed, financial responsibility is determined strictly in accordance with the **Institutional Refund Policy and R2T4 requirements**, regardless of whether a discount was applied.

Included Program Materials

All required program textbooks, instructional materials, tools, equipment, and the massage table are **included in tuition** as institutional charges. These items are **not separately priced, not optional**, and are issued as needed throughout the program.

Because these materials are included in tuition:

- They are subject to the Institutional Refund Policy and R2T4 rules
- They are not rescinded, repriced, or charged separately upon withdrawal, except as required by applicable law

Distinction Between Scholarships, Grants, and Loans

For clarity, financial aid terminology is defined as follows, consistent with federal guidance:

- **Scholarship:** A financial award that does not require repayment and is typically based on merit, need, or other criteria.

- **Grant:** A form of gift aid, often need-based, that generally does not require repayment unless a student withdraws and a refund is owed.
- **Loan:** Funds borrowed from the federal government or a private lender that must be repaid, typically with interest, under the terms of the promissory note.

Students are encouraged to understand the terms and obligations associated with each type of financial assistance prior to acceptance.

Important Notice

Students are strongly encouraged to review:

- The Enrollment Agreement
- The Institutional Refund Policy
- The Return of Title IV Funds (R2T4) policy
- The Student Catalog & Handbook

These documents collectively govern tuition obligations, financial aid, withdrawal consequences, and program completion requirements.

Admission Requirements and Procedures

Zion Massage College is an open admission vocational school, which is registered under the Utah Postsecondary Proprietary School Act. To be considered for admission, an applicant must complete the following admission steps and submit proof of the required items, which are listed below:

Steps for Admission:

1. Submit a completed Admission Application (This can be done online or at the ZMC Campus). Applicants must turn 18 before the first day of the program. Or, on a case by case situation by petition, the student must turn 18 before the start of their clinical internship.
2. Pay \$10 non-refundable Registration Fee.
3. Submit a copy of your high school diploma or equivalent (GED, Foreign Education, Homeschooling, College Transcript, etcetera).
 - Official transcripts or Diploma must be presented and verified.
 - This can be submitted at the ZMC Campus or by emailing the Admissions Advisor at enroll@zmc.edu
 - A copy will be scanned into the student file.
 - For all applicants whose name differs from their education record and their current legal name, name change documentation must also be submitted (i.e. Marriage Certificate, Divorce Decree, Official Name Change, etcetera).
 - If the applicant is applying for FSA, verification will also be made during the FAFSA process.
4. A representative will contact you within 48 hours to proceed to the next step in your application process.
5. Schedule your complimentary massage in the student massage therapy clinic. (The Admissions Advisor will help guide you through this process upon receiving your admissions application..)
6. Please text or call the ZMC Admissions Advisor at 435-680-7158 with any questions about enrollment.

Special Note: It is important to note that criminal conviction may affect an applicant's ability to obtain licensure. It is the applicant's responsibility to contact the Utah Department of Professional Licensing to determine eligibility for licensure. In addition, please contact the Admissions Department for further information.

Evaluating the Validity of High School Completion

Academic Qualifications

If ZMC has reason to believe that the high school diploma/equivalency submitted is not valid or was not obtained from an entity that provides secondary school education, we may request additional information to confirm the validity of a high school diploma/equivalent.

To receive Title IV funds, a student must be qualified to study at the postsecondary level. A student qualifies if the student:

- has a high school diploma (this can be from a foreign school if it is equivalent to a U.S. high school diploma);
- has the recognized equivalent of a high school diploma, such as a general educational development (GED) certificate or other state sanctioned test or diploma-equivalency certificate;
- has completed homeschooling at the secondary level as defined by state law;
- has completed secondary school education in a homeschool setting which qualifies for an exemption from compulsory attendance requirements under state law, if state law does not require a homeschooled student to receive a credential for their education.

High School Diploma:

Please note that for an institution to be a Title IV eligible institution, it must admit as regular students only those with a high school diploma or the recognized equivalent.

Per FSA Handbook Volume 1, acceptable documentation for checking the validity of a student's high school completion can include the diploma and a final transcript that shows all the courses the student took.

As an example, one resource that ZMC may consider using to determine if a high school diploma is valid is by verifying the existence of the high school with the department of education of the state in which the high school is located, if that agency has jurisdiction over the high school.

Recognized equivalents of a high school diploma

The Department recognizes several equivalents to a high school diploma:

- A GED certificate;
- a certificate or other official completion documentation demonstrating that the student has passed a state-authorized examination (such as the Test Assessing Secondary Completion (TASC) the High School Equivalency Test (HiSET), or, in California, the California High School Proficiency Exam) that the state recognizes as the equivalent of a high school diploma (certificates of attendance and/or completion are not included in this qualifying category);
- an associate's degree;
- successful completion of at least 60 semester or trimester credit hours or 72 quarter credit hours that does not result in the awarding of an associate's degree, but that is acceptable for full credit toward a bachelor's degree at any institution; or
- enrollment in a bachelor's degree program where at least 60 semester or trimester credit hours or 72 quarter credit hours have been successfully completed, including credit hours transferred
- into the bachelor's degree program.
- for a student who enrolls without completing high school, a transcript indicating the student has excelled in high school. The student must no longer be enrolled in high school, must satisfy

- your school's written policy for admitting such students, and must be starting a program that leads at least to an associate's degree or its equivalent.

For those who have completed all High School Requirements early but have not been issued their High School Diploma, a signed statement from the applicant's high school can attest that the applicant has completed all required coursework and other requirements for graduation. This letter must include the date on which the high school diploma will be issued. 34 CFR 600.2, DCL GEN 16-09 and

<https://www2.ed.gov/policy/highered/reg/hearulemaking/2009/hsdiploma.html>.

Foreign High School Diploma

Per FSA Handbook Volume 1, High school diplomas/transcripts from other countries are acceptable toward the student eligibility general requirement, as long as the diploma is equivalent to a U.S. high school diploma.

A student that submits a foreign High School diploma must have the diploma evaluated by a company that offers document verification services. The cost of this evaluation will be borne by the applicant. Please contact ZMC's Admissions Advisor for a list of acceptable verification companies.

If the student is selected for verification tracking groups V4 or V5, in which the student must provide proof of high school completion, and it is impossible for a refugee, asylee, or victim of human trafficking to obtain documentation of his or her completion of a secondary school education in a foreign country, you may accept self-certification that they have completed a high school (or equivalent) education from these applicants, along with their entry status documentation that demonstrates the applicant's current or prior status as a refugee, asylee, or victim of human trafficking who entered the U.S. after the age of 15 (see item FHD-Q2/A2 at <https://www2.ed.gov/policy/highered/reg/hearulemaking/2009/hsdiploma.html>).

Homeschooling

Some states issue a secondary school completion credential to homeschoolers. If this is the case in the state where the student was homeschooled, he/she must obtain this credential to be eligible for Title IV funds if the state requires it. ZMC may rely on a homeschooled student's self-certification that they completed secondary school in a homeschool setting. The student can include in his/her homeschooling self-certification that he/she received this state credential.

ZMC Administration Review

The student is responsible for supplying ZMC with all required documentation, including a High School Diploma, High School Transcript, GED, or other acceptable educational documentation before the first day of class. The student will be unable to receive Title IV disbursement until all required documentation is received.

Program Information

Program Objectives:

Zion Massage College's Foundational Massage Therapy program is designed to prepare students to pass the MBLEx and other exams, for which they qualify. The program of this curriculum meets the requirements for a licensure as a Massage Therapist as established by the State of Utah and the National Certification Board of Therapeutic Massage and Bodywork (NCBTMB). Below is a chart which compares the requirements for licensure in the state of Utah with the requirements for graduation from Zion Massage College.

Overview Comparison of Utah State Requirements and ABT/ZMC Requirements:

Category	Utah State Requirement	ABT/ZMC Requirement
Anatomy & Physiology, Kinesiology	125	125
Pathology	40	40

Massage Theory	285	285
Business & Professional Ethics	35	35
Sanitation/First Aid/CPR	15	15
Student Clinic/Internship	100	100

Course Descriptions:

Anatomy and Physiology - Systems Level I:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 28

Description: This Anatomy and Physiology I course provides the foundational platform for the general study of the human body's structure and function. Emphasis is placed on the complex nature of the body's chemical level, cellular level, histology, integumentary, skeletal, joints, muscles, and tissues.

Anatomy and Physiology - Systems Level II:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 28

Description: Students review all the body systems with emphasis on the complex nature of the circulatory, digestive, endocrine, immune, lymphatic, muscular, nervous, respiratory, skeletal, urinary, and reproductive systems of the body, the interrelationship of the organs, and the body's ability to adapt to the environment.

Anatomy & Physiology - Musculoskeletal Level I:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 24

Description: The Anatomy and Physiology II course focuses on musculoskeletal anatomy. In this course, students focus attention specifically on learning Musculoskeletal Anatomy of the upper body, including the location, origin and insertion, actions, and synergistic movements of the musculature. Students learn to clearly understand and communicate the way in which massage works to assist in the maintenance, healing, and support of the client's muscular and skeletal systems.

Anatomy & Physiology - Musculoskeletal Level II:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 20

Description: Students continue the study of musculoskeletal anatomy with a focus on the lower body. In this course students focus attention on the location, origin and insertion, actions, and synergistic movements of the musculature. Students learn to identify the musculature to become familiar with the underlying structures of the human body and to clearly understand and communicate the way in which massage works to assist in the maintenance, healing, and support of these structures.

Aromatherapy

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 4

Description: This introductory course provides students with foundational knowledge of aromatherapy for massage therapy. Topics include essential oil properties, safety, contraindications, dilution, simple application methods, and ethical considerations. Students learn to safely incorporate essential oils into massage sessions to enhance relaxation and client comfort, with an emphasis on client assessment and responsible use.

Assisted Stretching Fundamentals

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 28

Description: This course teaches students how to work with tissues of the body to enhance performance in a variety of events. Students will learn the different approaches to stretching clients in order to help increase flexibility, mobility and to prevent and treat injuries.

Chair Massage

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 13

Description: This course introduces students to the principles and practical application of chair massage within a professional setting. Students learn proper client positioning, draping alternatives, safety considerations, and how to create a structured chair massage sequence designed for efficiency and effectiveness. Emphasis is placed on ergonomics, body mechanics, client communication, and adapting techniques for a variety of environments such as corporate, public, and special event settings.

Deep Techniques & Trigger Point Massage

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 56

Description: Students learn to manipulate connective tissues of the body to eliminate and reduce pain and to create structural/postural changes in their clients. Students learn how to conduct assessments of client's postural habits and structural imbalances and how to implement change, through tissue manipulation, stretching and take-home exercises for the client. In addition, students learn how to utilize this knowledge to enhance their own lives and to support a long healthy career in massage therapy and bodywork.

Foundations of Therapeutic Massage

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 52

Description: In the Massage Therapy Core I course, students learn the five basic Swedish Massage strokes of Effleurage, Petrissage, Vibration, Tapotement and Friction along with basic and intermediate techniques, which are needed to give a safe and effective full body Swedish massage. Students learn to address and avoid basic ethical dilemmas such as transference and countertransference. They learn and demonstrate proficiency in conducting client assessments and in creating custom protocols to meet the specific needs of the client. In addition to massage technique and application, this course provides a strong emphasis on indications and contraindications to massage, along with appropriate responses to common pathological disorders. Students develop their sense of touch awareness and are prepared to begin giving massages in the student clinic.

Gua Sha Massage

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 16

Description: In this course, students learn the theory and practical application of Gua-Sha Massage, a traditional technique used to relieve muscular tension, improve circulation, and support overall wellness. Using a specialized tool, students practice gentle friction along the body's meridians to loosen fascia, address musculoskeletal complaints, and promote detoxification. The course also covers the use of Gua-Sha in skin care, including reducing wrinkles and signs of aging, as well as the underlying principles of Traditional Chinese Medicine.

Hot Stone Massage

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 16

Description: This course provides students with theoretical knowledge and practical training in the application of hot stone massage techniques as an enhancement to the Swedish massage protocol. Instruction includes proper stone selection, heating methods, safety precautions, contraindications, sanitation procedures, and client assessment. Emphasis is placed on the effective integration of hot stone techniques while maintaining

professional standards, ethical conduct, and client comfort. Upon successful completion of the course, students will be able to safely and effectively incorporate hot stone massage into a full-body Swedish massage treatment.

Hydrotherapy and Spa Therapy Techniques:

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 16

Description: In the Hydrotherapy and Spa Techniques course, students learn how to enhance a massage practice using Hydrotherapy and the use of hot and cold treatments. Students learn how to apply hydrotherapy and spa techniques to relax muscles, reduce swelling and to speed injury recovery time. In addition, students learn the history of and present-day use of common hydrotherapy-based spa therapies.

Kinesiology:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 25

Description: Kinesiology is the study of human movement. This course will help students see how understanding structure, posture, and normal human movement is instrumental in the application of physical assessments, understanding mechanisms of injury, and selecting the most appropriate therapeutic interventions. The skilled recognition of structural imbalances—as well as limitations of movement—is an essential component of determining the best treatment goals and then designing an effective treatment plan for each unique client situation.

Lower Body Techniques:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 20

Description: Students learn to identify and palpate the musculature of the lower body to become familiar with the underlying structures of the human body. Through demonstration and palpation, students learn to effectively identify and work specific muscles to assist in the maintenance, healing, and support of the client's muscular and skeletal systems.

Pathology:

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 40

Description: In the Pathology course, students learn how massage influences the disease and healing process and how massage therapists can provide clients with maximum benefits while minimizing risks. Students learn to work with other medical providers to assist the client and to refer clients to the appropriate medical provider. Throughout the course, identification and knowledge of indications and contraindications for massage, etiology, signs, symptoms, and standard treatment approaches for common diseases and conditions is emphasized.

Pregnancy Massage & Special Populations

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 20

Description: This course provides students with advanced instruction and supervised practice in adapting Swedish massage techniques for pregnancy and special populations. Students refine effleurage, petrissage, tapotement, vibration, and friction while demonstrating competency in light, moderate, and deep pressure as appropriate for individual client needs. Emphasis is placed on client assessment, safety, positioning, and modifications, as well as proper body mechanics and sustainable practices to support therapist health and long-term career longevity.

Professional Ethics and Business Standards:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 35

Description: In the Professional Ethics and Business Standards course, students learn the important principles and guidelines for beginning an ethical and successful career as a Licensed Massage Therapist. Students learn how to create a solid business plan and resume and how to effectively answer interview questions. Students learn to specify and target their specific career goals in the field of massage therapy. An emphasis is placed on general business knowledge and practices, career opportunities, tax reporting, ethical and legal issues surrounding a massage therapy career.

Reflexology:

Prerequisite: Acceptance into ZMC's Professional Massage Therapy Program

Clock Hours: 24

Description: In the study of Reflexology, students learn how the systems, organs and muscles of the body correspond with specific pressure points on the hands and feet. Reflexology teaches that these pressure points stimulate and encourage healing of the body. Students learn how to massage and apply pressure to these Reflexology points through various soft tissue manipulation techniques.

Sanitation-First Aid-CPR:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 15

Description: In the Sanitation, First Aid, CPR course, students are instructed in basic Standard Precautions, Sanitation and Hygiene practices that are relevant to the practice of Massage Therapy. Students are prepared for various emergencies and demonstrate the ability to follow the American Red Cross Protocols for ensuring that the scene is safe, giving basic care and getting help quickly and efficiently in an emergency. In addition, students study and demonstrate standard CPR and First Aid Skills and are required to become CPR and First Aid certified American Red Cross.

Student Massage Clinical Internship:

Prerequisite: Massage Therapy Core I

Clock Hours: 100

Description: Students apply their knowledge and skills learned in ZMC courses through practicing massage therapy on the public population. Qualified ZMC staff members will be present always during the clinical internship to oversee safety and protocol issues, to provide instruction and to answer questions from students or clients.

Upper Body Techniques:

Prerequisite: Acceptance into ZMC's Foundational Massage Therapy Program

Clock Hours: 20

Description: Students learn to identify and palpate the musculature of the upper body to become familiar with the underlying structures of the human body. Through demonstration and palpation, students learn to effectively identify and work specific muscles to assist in the maintenance, healing, and support of the client's muscular and skeletal systems.

Per requirement CFR 21.4254 (c) (11) ZMC shall not exceed enrollment limitations as set forth by the State Approving Agency. For further detail, please refer to CFR 21.420 (c) as referenced below:

Restrictions on enrollment; percentage of students receiving financial support.

(a) *General.* Except as otherwise provided in this section the Department of Veterans Affairs (VA) shall not approve an enrollment in any course for an eligible veteran, not already enrolled, for any period during which more than 85 percent of the students enrolled in the course are having all or part of their tuition, fees or other charges paid for them by the educational institution or by the VA under title 38, U.S.C., or under title 10, U.S.C. Policies below apply to all students, including students that receive the G.I. Bill®. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). Grades and Grading Scale:

Zion Massage College is a 600-clock hour program. Satisfactory progress is evaluated every three months throughout the program. Students are evaluated on minimum hours completed (quantitative) and minimum grade point average (qualitative). Evaluations are placed in student files.

1. The grading scale is the same for each course at ZMC. However, the weight of each course requirement is outlined in the respective syllabus for the course.
2. To receive a passing score, the student must complete each written exam, practical exams, and projects with a minimum of 72% accuracy, while maintaining an overall 2.67 GPA (80%).
3. A student will have three chances to pass a final exam with 72% or better. If an exam needs to be retaken, the student must take the exam outside of regularly scheduled class time. If the student does not pass an exam by the third attempt, then he or she will automatically fail the course and will need to retake the course to achieve a passing grade. Please see the chart 'Retake Fees by Course'.
4. Only 1 retake is allowed per course. If a student (including GI Bill® and Vocational Rehabilitation recipients) cannot pass the retake course, they will be withdrawn from the program. Students that are withdrawn from the program will be given credit for the courses that they completed and successfully passed. "GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>."
5. The instructor determines whether a quiz is in class or a take home. Retakes are encouraged for content study and in preparation for the final. If it is an in class quiz, the Instructor determines when the retake must be completed in each specific course. Quizzes are a tool used to study and may be taken as many times as needed for content mastery.
6. There is no extra credit given in any course.
7. The student's academic average is reviewed to determine **qualitative** progress. The minimum required is an overall 2.67 GPA (80%) after each evaluation period.
8. Incomplete grades are not given, and students must repeat any classes in which they earn less than a 72% average. Students who withdraw from the program will receive a grade of 0% in each class interrupted by the withdrawal. All interrupted classes must be repeated upon readmission to Zion Massage College.

Grading Criteria:

Letter Grade	Grading Scale	GPA
A	94-100	4.00
A-	90-93	3.67
B	86-89	3.00
B-	80-85	2.67
C	77-79	2.00
C-	72-76	1.67
D	70-71	1.00
F	69 or below	0.00

Parking:

The Green Valley Shopping Complex parking lot in which Zion Massage College resides services multiple businesses. The parking lot is primarily intended for the convenience and accessibility of the clients. As such, the front two rows in the complex are reserved exclusively for clients of the complex. Students and Staff may park in the back two rows of the complex and on the street. Parking in the areas reserved for clients is a violation of school policy. Any student or staff caught parking in client-designated spaces at any time will be subject to disciplinary action.

Attendance:

A student must maintain 100% attendance in each course to maintain satisfactory academic progress (SAP). A student must maintain 100% Attendance in the student massage clinic. (Refer to the student massage **clinic contract** for more information).

Attendance is recorded in each class daily. If a student misses, they will be required to make-up the hours during the next session of the course or must attend another class session no later than two weeks from the date of the completion of the course unless a plan has been made.

If a student fails to attend a minimum of 70% of an enrolled course, they will be required to retake the course. Only 1 retake is allowed per course. If a student (including GI Bill® and Vocational Rehabilitation recipients) cannot pass the retake course, they will be withdrawn from the program. Students that are withdrawn from the program will be given credit for the courses that they completed and successfully passed. "GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>."

Please see the chart below for specific retake tuition for each course.

If a student knows, in advance, that they will be absent for a course, they can take another section of the course ahead of schedule without a penalty. **There is no charge to complete classes ahead of schedule. There is also no charge for making up planned absences, which have been arranged before the absence and, include a scheduled plan to make up the work/attend the missed classes. These arrangements must be made before the scheduled date of the required class and proper documentation is provided along with a petition form.**

If official documentation is given within 5 days of the absence, the following will be considered excused:

1. Court dates
2. Funeral of an immediate family member or significant other
3. Emergency Medical Care or Hospitalization of the student (not regular appointments)
4. Emergency Medical Care or Hospitalization of the student's minor child or ward (not regular appointments).
5. Military Obligations (reviewed on an individual basis)

Tardiness:

Students are expected to be on time and ready to participate in every class. A tardy will be given for the following four reasons:

1. Arriving more than 5 minutes late to class at the start of class.
2. Arriving back to class more than 5 minutes late from a class break.
3. Leaving class more than 15 minutes before the scheduled end time.
4. Leaving class for more than 5 minutes during an unscheduled break.

Please note that 3 tardies within the same course will result in a full (4 hr) absence from the course. After three tardies have accrued and an absence has been issued to the student, any subsequent tardies within the same

course will result in the issuance of another full absence to the student. This may result in the need for the student to pay to retake the entire course. Please see the Attendance policy above.

Satisfactory Academic Progress Policy

Satisfactory Academic Progress (SAP) is defined as the successful progression through an academic program in accordance with federal regulations and institutional standards. All students enrolled in the 600-hour Foundational Massage Therapy Program at Zion Massage College (ZMC) are required to maintain SAP toward completion of the massage therapy certificate.

In order to be eligible for Federal Student Aid (Title IV), students must meet all applicable **qualitative**,

quantitative (pace), and maximum time-frame requirements established by the U.S. Department of Education and described in this policy. Failure to meet SAP standards may result in the loss of Title IV eligibility, regardless of a student's payment method.

ZMC has established this SAP policy to promote student success, accountability, and timely program completion. SAP standards are based on reasonable expectations of academic progress and are designed to be attainable for students who actively participate and meet program requirements.

SAP Evaluation Schedule

Satisfactory Academic Progress is evaluated at the end of each payment period, which for the 600-hour program occurs at:

- **300 clock hours (end of the first payment period), and**
- **600 clock hours (program completion).**

At each SAP evaluation point, academic performance and progress toward program completion are reviewed. At the 300-hour evaluation, students receive a formal SAP determination. Upon completion of the program, final grades are posted and an official transcript is issued.

ZMC may conduct additional academic monitoring or provide academic support as needed; however, such academic measures are separate from SAP determinations and do not override or extend federal SAP evaluation requirements or Title IV eligibility decisions.

Regulatory Authority and Policy Updates

This SAP policy is administered in accordance with federal and state regulations governing student financial aid. ZMC reserves the right to revise SAP standards as required to maintain compliance with changes in applicable laws or regulations. Students are responsible for adhering to the SAP policy in effect at the time of their evaluation, as published in the current catalog. Policy changes become effective immediately and supersede prior versions.

This policy applies to the following financial aid programs:

Federal and State Programs Subject to Financial Aid SAP Policy

- Federal Pell Grant
- Federal Direct Loans
- G.I. Bill® (GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>).

Programs Subject to Financial Aid SAP Policy

- Any scholarship or Tuition Discount awarded

Programs Not Subject to Financial Aid SAP Policy

- None. All programs at ZMC are subject to the Financial Aid SAP Policy.
- Any award or scholarship awarded by outside agencies may have their own requirements. Students must check with those agencies for rules regarding retention of those awards.

SAP STATUS DEFINITIONS AND CONSEQUENCES

Zion Massage College (ZMC) evaluates Satisfactory Academic Progress (SAP) at the end of each payment period

in accordance with **34 CFR §668.34**. Based on the results of each evaluation, a student will be placed into one of the following SAP statuses.

1) Good Standing

A student is in **Good Standing** when all SAP requirements are met, including:

- Minimum cumulative grade point average (GPA),
- Required pace of progression, and
- Completion within the maximum time frame.

Students in Good Standing are eligible to receive Title IV financial aid, if otherwise eligible.

2) SAP Warning (*One Payment Period Only*)

A student who fails to meet one or more SAP requirements at the end of a payment period will be placed on **SAP Warning**.

SAP Warning is granted only once and lasts for one payment period.

- No appeal is required to be placed on SAP Warning.
- The student remains eligible for Title IV aid during the SAP Warning period.

At the end of the SAP Warning payment period:

- If the student meets all SAP requirements, the student returns to **Good Standing**.
- If the student does not meet SAP requirements, the student becomes ineligible for Title IV aid unless an appeal is approved and the student is placed on SAP Probation.

SAP Warning cannot be extended, repeated, or reinstated after it has been used.

3) SAP Probation (*By Appeal Only*)

A student who fails to meet SAP requirements at the end of the SAP Warning period may submit a written SAP Appeal requesting placement on SAP Probation.

SAP Probation:

- Requires an **approved appeal**,
- Is granted for **one payment period only**, and
- Allows continued Title IV eligibility **only during the probationary payment period**.

An appeal may be approved only if:

- The student is capable of meeting SAP standards by the end of the probation period, **or**
- The student is placed on an academic plan that, if followed, will ensure SAP compliance within a defined time frame.

At the end of the SAP Probation payment period:

- If the student meets SAP requirements, the student returns to **Good Standing**.
- If the student does not meet SAP requirements, the student becomes **ineligible for Title IV aid** and is placed on **SAP Termination**.

SAP Probation may not be granted without an approved appeal and may not be extended without continued compliance with an approved academic plan.

4) SAP Termination (*Loss of Title IV Eligibility*)

A student is placed on **SAP Termination** if:

- SAP requirements are not met at the end of the SAP Warning period and no appeal is approved, **or**
- SAP requirements are not met at the end of the SAP Probation period.

Students on SAP Termination:

- Are **not eligible for Title IV financial aid**, and
- May continue enrollment only by making satisfactory payment arrangements outside of federal financial aid, subject to institutional approval.

Title IV eligibility may be regained only if:

- The student subsequently meets all SAP requirements, **or**
- A new SAP appeal is approved in accordance with federal regulations.

Important Notes

- SAP status determinations are made **only at official SAP evaluation points**, which occur at the end of each payment period.
- Academic advising, tutoring, or instructional support **do not override SAP determinations**.

- SAP Warning and SAP Probation are **distinct, limited, and federally defined statuses**.
- Zion Massage College does **not** use rolling, overlapping, or extended SAP statuses.

Qualitative Measure – Grade Point Average (GPA)

To maintain Satisfactory Academic Progress, students must meet the following **minimum qualitative standards**:

- **Minimum cumulative GPA: 80% (2.67)**
- **Minimum grade required in each course: 72% (1.67)**

1. Grade Point Average Requirement

All students at ZMC must maintain a minimum cumulative GPA of 80% (2.67) overall and a minimum GPA in each course of 72% (1.67).

Only the following grades are counted in the cumulative grade point average:

- Grading System:

% Range	Grade	GPA
94 - 100	A	4.00
90 - 93	A-	3.67
86 - 89	B	3.00
80 - 85	B-	2.67
77 - 79	C	2.00
72 - 76	C-	1.67
70 - 71	D	1.00
0 - 69	F	0

Grades Included in GPA Calculation

The following are included in the cumulative GPA calculation:

- All required core courses taken for a letter grade
- Courses resulting in an **Unofficial Withdrawal (UW)**
- The **most recent grade** for any repeated course
- Accepted transfer coursework from institutions accredited by a federally recognized accrediting agency (if applicable to the program)

Grades Excluded from GPA Calculation

The following are **not** included in GPA calculation:

- Incomplete (I)
- Official Withdrawal (W)
- Audit (V)
- Pass / No Pass (P/NP)
- Continuing Education (CE) courses
- Original grades for courses that are retaken

Course Failure and Repetition

- A course is considered failed if the final grade is below 72%.
- Failed courses must be **retaken in full**.
- Tuition charges apply to repeated coursework.
- When a course is repeated, **only the most recent grade** is included in GPA calculations.
- If a student fails a repeated course, the student may be subject to dismissal in accordance with institutional policy.

Final Exam Attempts

- Students are permitted **up to three attempts** to pass a final exam with a minimum score of 72%.
- Exam retakes are scheduled outside regular class hours.
- Failure to achieve a passing score after the third attempt results in course failure and required course repetition.

Grading and Course Completion Standards

Grades are assigned based on demonstrated mastery of course objectives, examinations, practical assessments, and attendance requirements, in accordance with course syllabi and institutional grading standards.

Failure of a course or examination may require course repetition or academic remediation in accordance with program requirements and published policies. Any retake of coursework or examinations may result in additional tuition charges as outlined in the catalog.

Course grades and academic remediation requirements do not, by themselves, determine a student's Satisfactory Academic Progress (SAP) status. SAP evaluations are conducted only at official SAP evaluation points and are based on cumulative qualitative and quantitative measures as defined in this policy.

If a course is retaken, the most recent grade earned replaces the prior grade for GPA calculation purposes.

Students are permitted up to three attempts to pass a final examination with a minimum score of 72%. Examination retakes are scheduled outside of regular class time. If the minimum passing score is not achieved after the third attempt, the student must retake the course in its entirety. Grading for retaken examinations follows institutional academic standards and does not override SAP evaluation criteria.

Incomplete grades must be resolved within the timeframe specified by the instructor or syllabus. Failure to resolve an incomplete may require course repetition.

2. Quantitative Measure – Pace of Progression

Students must maintain a pace of progression that allows program completion within the maximum time frame.

Pace Calculation

Pace of Progression is calculated as:

Cumulative Clock Hours Successfully Completed ÷ Cumulative Clock Hours Attempted

Program Expectations

- Program length: **600 clock hours**
- Normal completion timeframe: **approximately 30 weeks**
- Expected average attendance: **approximately 20 clock hours per week**
- Students must successfully complete **100% of required coursework**, including clinic/internship hours.

Treatment of Incompletes and Withdrawals

- Clock hours associated with incomplete or failed coursework are considered **attempted but not completed** until successfully earned.
- Withdrawals and failed coursework count toward attempted hours for SAP and maximum time frame purposes.

3. Maximum and Minimum Pace Requirement

Maximum Pace Time Frame

Students must complete the program within **150% of the published program length**, as required by federal regulation.

- Program length: 600 clock hours

- Maximum time frame: **900 clock hours**

Transfer hours accepted toward the program are **included** in the maximum time frame calculation.

A student becomes **ineligible for Title IV aid** once it is mathematically impossible to complete the program within the 900-hour maximum time frame, unless an appeal is approved.

Minimum Pace Requirement

To meet Satisfactory Academic Progress standards, a student must maintain a pace of progression that allows completion of the 600-clock-hour program within the **maximum time frame of 900 clock hours (150%)**.

A student is considered **not meeting the pace requirement** if, at any SAP evaluation point, it is **mathematically impossible** for the student to complete the program within the maximum time frame based on cumulative hours attempted and completed.

Pace is evaluated at the end of each payment period using cumulative clock-hour data.

4. SAP Evaluation and Monitoring

SAP is evaluated for **all students**, regardless of payment method, at the end of each payment period.

For students receiving Title IV aid:

- The Financial Aid Office reviews GPA, pace of progression, and maximum time frame.
- Students who fail to meet SAP standards are notified in writing.
- Financial aid disbursements may be delayed or suspended until SAP review is completed.

5. Failure to Maintain SAP

Students who fail to meet SAP requirements are placed into one of the following statuses, as defined in federal regulations:

- **SAP Warning** (one payment period only; no appeal required)
- **SAP Probation** (one payment period only; requires approved appeal)
- **SAP Termination** (loss of Title IV eligibility)

Students placed on SAP Termination are **not eligible for federal financial aid** but may continue enrollment at their own expense, subject to institutional approval.

6. SAP Appeals

A student who becomes ineligible for Title IV aid due to SAP failure may submit a **written SAP Appeal**.

Appeal Requirements

An appeal must:

- Be submitted within **five (5) business days** of notification of ineligibility
- Explain the circumstances that led to SAP failure
- Describe how the circumstances have been resolved
- Explain how the student will meet SAP standards moving forward
- Include supporting third-party documentation, when applicable

Appeal Review

Appeals are reviewed by appropriate institutional personnel. Decisions are communicated to the student in writing.

If an appeal is approved:

- The student is placed on **SAP Probation** for one payment period
- Title IV eligibility is reinstated for that probationary period only
- Continued eligibility depends on meeting SAP standards or the terms of an approved academic plan

If an appeal is denied:

- The student remains ineligible for Title IV aid

7. Regaining Eligibility

A student may regain Title IV eligibility by:

- Meeting all SAP requirements at a subsequent evaluation point, **or**
- Successfully completing an approved SAP Probation period

8. Dismissal

Students may be dismissed from the program if:

- SAP standards cannot be met within the maximum time frame, or
- Academic performance indicates no reasonable likelihood of successful program completion

Advanced Placement and Graduating with Honors

All students enrolled in ZMC's Foundational massage therapy program are required to complete the same set of classes. Thus, there are no advanced placement classes or Honor Roll offered at ZMC.

Leave of Absence

To request a leave of absence, a student must do the following.

Any student who is considering a leave of absence from the program is strongly recommended to meet with the Director of ZMC.

As of January 1st, 2025, students may request a leave of absence for a period of up to 180 days without having to re-enroll in the program. Students must fill out a petition request that will be reviewed and length of leave will be determined at that time. There is no additional charge for leaving and then re-entering the program. Students will be able to pick up where they left off in the program with a few stipulations. A student who takes a leave of absence will be required to retake any classes that were disrupted by the LOA where an Incomplete (I) was given. Any classes completed before the LOA that meet satisfactory academic progress will not need to be retaken. Clinic can resume as normal after the LOA is complete. Hours earned in the Clinical Internship are not affected by the LOA as long as SAP is met. A student who requests a leave of absence is responsible for the payment of all tuition and fees for the program in which he or she originally enrolled. If the leave of absence exceeds 180 days, the student will need to re-enroll in the program.

Steps to Request a Leave of Absence

1. Submit a written request for a leave of absence stating the reason for the request and the anticipated date in which they will reenter the program.
2. Pay all tuition and fees for the program in which he or she was originally enrolled.
3. Students who withdraw from the program will receive a grade of 0% in each class interrupted by the withdrawal. All interrupted classes must be repeated upon readmission to Zion Massage College.

Official Withdrawal

A student who wishes to withdraw from the program must submit a written, signed and dated letter informing the school of his or her intentions. The student may meet with the Director and complete a Withdrawal Form or submit a letter via mail or fax. Before deciding to withdraw, a student should familiarize themselves with the refund deadlines and financial liability for tuition and fees.

If a student drops from ZMC's Foundational Massage Therapy Program, they will receive a transcript that shows the courses, hours and grades which the student successfully completed. Students that drop from the program will be eligible to reenter the program as a transfer student. Only courses that have been fully and successfully completed will be eligible for consideration as transfer hours. Hours earned from incomplete courses will not be eligible as transfer hours. Please see ZMC's transfer student policy in this catalog for additional details.

Unofficial Withdrawal:

If a student fails to attend the Program for a period of 14 consecutive calendar days, the school will consider such a student an Unofficial Withdrawal and will automatically terminate the student from the Program. Before deciding to withdraw, a student should familiarize himself or herself with the refund deadlines and financial liability for tuition and fees.

Code of Conduct Policy

Code of Conduct – Students, Faculty, and Staff

Purpose

The purpose of the Zion Massage College (ZMC) Faculty, Staff, and Student Code of Conduct is to:

- Promote appropriate, respectful, and professional behavior;
- Foster a safe, effective, and supportive learning environment;
- Uphold ethical, legal, and professional standards of the massage therapy profession.

Student Conduct Expectations

Students are expected to support the mission of ZMC by:

- Behaving in a professional and courteous manner;
- Maintaining academic integrity and ethical standards;
- Respecting the rights, safety, and dignity of all students, staff, faculty, and clients.

Prohibited Student Conduct

A student may be subject to disciplinary action, up to and including dismissal, for conduct including but not limited to:

- Use, possession, distribution, or being under the influence of alcohol or illegal drugs on school premises or during school activities;
- Attending class or clinic under the influence of alcohol or illegal drugs;
- Violations of ZMC's Standard Precautions or infection control policies;
- Sexual activity on school premises;
- Sexual advances, solicitation, or inappropriate behavior in any massage therapy setting;
- Violations of draping, nudity, or appropriate-touch policies;
- Failure to maintain professional hygiene standards;
- Academic dishonesty, including cheating or falsification of records;
- Profane, abusive, threatening, or disruptive behavior;
- Possession of weapons or items reasonably considered weapons on school property;

- Accepting compensation or tips for massage services outside the school clinic prior to licensure;
- Any conduct that violates federal, state, or local law;
- Any conduct that materially interferes with the educational environment or professional standards of massage therapy, as defined in ZMC policies and curriculum.

Disciplinary Actions

Disciplinary actions may include:

- Verbal warning
- Written warning
- Probation
- Suspension
- Dismissal

The level of discipline imposed will be based on the nature, severity, and frequency of the conduct and will be applied consistently.

Disciplinary Process and Due Process

Before suspension or dismissal, except in cases involving immediate safety concerns, ZMC will provide:

- Written notice of the alleged violation;
- An opportunity for the student to respond;
- A review by appropriate administrative personnel;
- Written notification of the outcome.

Students may appeal disciplinary decisions in accordance with procedures outlined in the Student Catalog.

Legal Reporting

ZMC will cooperate with law enforcement and report criminal conduct when required by law.

Faculty and Staff Conduct

Faculty and staff are expected to:

- Act with integrity, professionalism, and competence;
- Maintain ethical and professional boundaries;
- Refrain from romantic or sexual relationships with enrolled students;
- Provide a safe, respectful, and inclusive learning environment;
- Uphold all applicable laws, accreditation standards, and professional ethics.

Non-Discrimination Policy

Zion Massage College prohibits discrimination based on race, color, religion, sex (including pregnancy), national origin, age, disability, sexual orientation, gender identity, veteran status, genetic information, or any other protected status. Reasonable accommodations may be requested in accordance with applicable law.

Dress Code and Hygiene

Zion Massage College (ZMC) requires students to maintain a clean, professional appearance and excellent personal hygiene to support client safety and comfort. The following standards apply in the classroom and student clinic.

Required Attire

Students must wear the approved ZMC uniform:

- **Shirt:** A ZMC clinic T-shirt must be worn as the outermost layer and remain clearly visible.
- **Pants:** Dark gray or black, full-length pants made from tightly woven professional or uniform material.
- **Shoes:** Shoes must be clean, in good condition, and professional in appearance. Students must wear shoes in all common areas and wherever they interact with clients. Clients should never see their student therapist without shoes.

Clothing must be clean and modest. It must fully cover the breasts and cleavage, abdomen, underarms, buttocks, and the crease between and beneath the buttocks, including when bending, reaching, or providing treatment.

The following are not permitted:

- Shirts other than the required ZMC T-shirt as the outermost layer
- Jeans or jean-style pants
- Stretch pants or leggings
- Sweatpants
- Pants made from ribbed or corduroy material

- Cropped pants, capri pants, or shorts

Personal Hygiene

Students must:

- Bathe/Shower regularly, keep hair clean and groomed, and brush their teeth.
- Be free of potentially offensive odors, including body odor, bad breath, and cigarette smoke.
- Keep fingernails clean, neatly maintained, and shorter than the fingertips to prevent scratching clients.
- Ask clients about sensitivities and allergies and obtain their permission before using any essential oil.
- Refrain from smoking anywhere on ZMC premises.

Correcting a Dress Code Violation

If a student arrives out of dress code, the instructor will discreetly notify the student. Participation points may be deducted for dress code violations.

The student must correct the violation by choosing one of the following options:

1. **Change into the ZMC uniform/approved clothing.** All missed class time must be made up to meet the program's 100% attendance requirement.
2. **Visit the front desk during office hours** to obtain the needed uniform item:
 - Purchase a ZMC shirt for **\$12.50**.
 - Rent pants for **\$20**. A **\$18 refund** will be issued when the rented pants are returned.

Disciplinary Action

Failure to follow dress code or hygiene requirements may result in documented disciplinary action, including a verbal warning, written warning, loss of participation points, or loss of attendance credit for the day. Any missed required hours must be made up.

Repeated or serious violations may result in suspension or dismissal from the program.

SEXUAL HARASSMENT AND SEXUAL MISCONDUCT POLICY

Policy Statement

Zion Massage College (ZMC) is committed to maintaining a learning and working environment that is free from sexual harassment, sexual misconduct, and gender-based discrimination. Sexual harassment and sexual misconduct undermine the integrity of the educational process, violate professional massage therapy standards, and will not be tolerated.

This policy applies to all students, faculty, staff, administrators, contractors, clinic guests, and third parties participating in or interacting with ZMC programs, activities, or facilities.

Definitions

Sexual Harassment

Sexual harassment is unwelcome conduct of a sexual nature that is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to ZMC's education programs or activities. Sexual harassment may include, but is not limited to:

- Unwelcome sexual advances;
- Requests for sexual favors;
- Verbal, nonverbal, or physical conduct of a sexual nature;
- Gender-based harassment, intimidation, or hostility.

Sexual Misconduct

Sexual misconduct is a broad term that includes, but is not limited to:

- Sexual harassment;
- Sexual assault or sexual violence;
- Sexual exploitation;
- Stalking or cyberstalking;
- Dating or relationship violence;
- Gender-based bullying or intimidation.

Prohibited Conduct

ZMC prohibits sexual harassment, sexual misconduct, and discrimination based on sex, sexual orientation, gender identity, or gender expression.

Professional Conduct Expectations in Massage Therapy

Because massage therapy involves close physical contact and a power differential between practitioner and client, **all students, faculty, staff, and licensed professionals associated with ZMC must maintain strict professional boundaries.**

While on campus, in clinic, or while representing ZMC, individuals must refrain from:

- Sexualized language or behavior;
- Comments about a person's body, appearance, or physical attributes that could be perceived as sexual, suggestive, or evaluative;
- Any conduct that compromises client dignity, comfort, or consent.

Romantic or sexual relationships between faculty/staff and currently enrolled students are strictly prohibited.

Reporting Sexual Harassment or Sexual Misconduct

ZMC strongly encourages the prompt reporting of any concerns or complaints related to sexual harassment or sexual misconduct.

Reports may be made to:

Title IX Coordinator

Rebecca Farraway

Email: rebecca@zmc.edu

Phone: **435-261-4203**

Reports may be made by students, employees, clinic guests, or third parties. Reports may be made regardless of whether the conduct occurred on or off campus, if it impacts the ZMC educational environment.

Faculty and staff are required to report known or suspected sexual harassment or sexual misconduct to the Title IX Coordinator immediately.

Response and Due Process

Upon receipt of a report, ZMC will:

- Promptly assess the report;
- Offer supportive measures to affected parties;
- Conduct a fair and impartial review consistent with applicable law;
- Provide written notice to involved parties as required;
- Take appropriate corrective or disciplinary action when warranted.

Disciplinary actions may include verbal warning, written warning, probation, suspension, or dismissal, depending on the severity and circumstances of the conduct.

ZMC will respect privacy to the extent possible while fulfilling legal and safety obligations.

Mandatory Reporting and Law Enforcement

ZMC will cooperate with law enforcement and report conduct that constitutes a crime when required by federal, state, or local law. Individuals are not required to file a police report to receive institutional support.

Student Clinic Safety & Incident Control (ICE) Protocol

As part of ZMC's commitment to student and client safety, students participating in the Student Clinical Internship must follow the Incident Control & Escalation (ICE) Protocol.

If a Student Therapist Experiences Sexual Inappropriateness or Discomfort:

If a clinic guest engages in sexually inappropriate behavior (verbal or physical), or if a student therapist feels psychologically unsafe or uncomfortable, the student must:

1. **Immediately excuse themselves from the massage session** and leave the treatment room;
2. **Notify the Student Massage Clinic Facilitator immediately;**
3. **Allow the Clinic Facilitator to manage the situation and determine next steps** in accordance with ZMC policy;
4. **Complete an Incident Report** as soon as possible.

All incidents, including “gray area” situations, must be documented. Separate incident reports must be completed by:

- The student therapist;
- The clinic facilitator; and
- Any witnesses, if applicable.

The Clinic Facilitator is responsible for ensuring documentation is completed and submitted.

Related Policies and Disclosures

This policy should be read in conjunction with:

- ZMC Campus Security Policy
- Annual Security & Fire Safety Report (Clery Act)
- Title IX Procedures
- Student Code of Conduct

REFUND, WITHDRAWAL, AND RETURN OF TITLE IV FUNDS POLICY

Institutional Refund Policy

Zion Massage College (ZMC) complies with the Utah Postsecondary Proprietary School Act (Rule R152-34-8) and applicable federal regulations. ZMC operates on a **pay-as-you-learn tuition structure**, which limits a student’s contractual obligation for tuition and fees at any one time.

Tuition is earned and charged on a **prorated clock-hour basis** through the student’s **last date of attendance**, subject to applicable state and federal requirements.

Tuition Charges

- Tuition is charged based on clock hours attempted through the student’s last date of attendance.
- ZMC does not charge interest on institutional tuition balances.
- Institutional charges do **not** include the non-refundable application fee.

Cancellation Period

A student may cancel enrollment without tuition charges under the following conditions:

- Within **three (3) business days** after signing the Enrollment Agreement and prior to beginning classes.
- After three (3) business days of signing but **prior to the first day of class**.

- If the student has not previously visited ZMC, within **three (3) business days after the first scheduled day of class or the first visit**, whichever occurs first.

Students who withdraw **before or during the first week of class attendance** will incur **no tuition charges**. Any tuition paid will be fully refunded.

Refund Calculation

- Tuition refunds are calculated based on the number of clock hours completed through the student's **last date of attendance**.
- After completion of **seventy-five percent (75%)** of the program, **no institutional tuition refund is due**.
- Institutional refunds are calculated independently from federal financial aid requirements.

Refund Timeline

Any refund due to the student will be issued within **thirty (30) calendar days** of:

- The student's official withdrawal date, or
- The date ZMC determines that an unofficial withdrawal has occurred.

Return of Title IV Funds (R2T4)

Federal law requires Zion Massage College to perform a **Return of Title IV Funds (R2T4)** calculation when a student receiving Title IV financial aid withdraws before completing **sixty percent (60%)** of the payment period.

Title IV programs include, but are not limited to:

- Federal Pell Grant
- Federal Direct Subsidized Loan
- Federal Direct Unsubsidized Loan
- Federal Direct PLUS Loan (Parent)

Earned vs. Unearned Aid

- Title IV aid is earned on a **pro rata basis** based on the percentage of the payment period completed.
- Students who complete **more than 60%** of the payment period are considered to have earned **100%** of the Title IV aid for that period.

Return Calculation and Order

Unearned Title IV funds are returned in the following order, as required by federal regulation:

1. Federal Unsubsidized Direct Loan
2. Federal Subsidized Direct Loan
3. Federal Direct PLUS Loan (Parent)
4. Federal Pell Grant
5. Other Federal Aid
6. State, Private, or Institutional Aid

ZMC returns its required portion of unearned Title IV funds within **forty-five (45) days** of the date the school determines the student withdrew.

Students are responsible for any Title IV funds that ZMC is required to return on their behalf. Failure to repay required amounts may result in loss of future federal financial aid eligibility and a hold on academic records.

Post-Withdrawal Disbursements

If a student withdraws and is eligible for a **post-withdrawal disbursement**, ZMC will notify the student in writing within **thirty (30) days** of the date the withdrawal is determined.

The notification will include:

- The amount of aid available
- Whether the aid consists of grant funds or loan funds
- The requirement to repay loan funds
- Instructions for accepting or declining the disbursement

Students have **fourteen (14) days** to respond. Grant funds will be disbursed within **forty-five (45) days**. Loan funds may be disbursed within **one hundred eighty (180) days** if accepted.

Veterans Education Benefits (GI Bill®)

Zion Massage College complies with **38 CFR §21.4255**. ZMC will not impose penalties on covered individuals due to delayed VA payments, including but not limited to:

- Late fees
- Denial of access to classes, libraries, or other institutional facilities
- Requiring additional borrowing due to delayed VA disbursement

“GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at <https://www.va.gov/education>.”

Withdrawal Categories

Withdrawals fall into two categories:

- **Official Withdrawal** – initiated by the student in writing
- **Unofficial Withdrawal** – determined by ZMC based on attendance records

The withdrawal date for all refund and federal aid calculations is the student's **last date of attendance**.

Unofficial Withdrawals

Each day, attendance is taken by each course instructor. This attendance is submitted and reviewed on a daily basis by the school's Administrative Staff. If a student fails to officially withdraw but stops attending class, after two weeks of non-attendance, they will be Unofficially Withdrawn from the program. The student's withdrawal date will be counted as the last date of attendance by the student.

Failure to attend prior to the 60% mark of the program will result in the student being billed for any outstanding charges that are reflected as a result of the R2T4 (Return to Title IV) funds. Returns will be processed within 30 days of determination that the student was an Unofficial Withdrawal.

Official Withdrawals

A student that wishes to Officially Withdraw from the program must submit a written, signed and dated letter informing the school of their intentions. The student may meet with one of ZMC's Admissions or Program Directors and complete a Withdrawal form or submit a letter via mail or email.

Before deciding to withdraw, a student should familiarize themselves with the refund deadlines and financial liability for tuition and fees. To send a written, signed and dated letter of withdrawal, please email to admin@zmc.edu or address your hard-copy letter to:

Zion Massage College
Program Admissions
567 S. Valley View Dr. ste 4
St. George, Utah 84770

The Official Withdrawal date will be calculated from the last date of attendance by the student. Federal Student Aid Information can also be found on the web at www.studentaid.ed.gov or by calling 1-800-4-FEDAID.

Dismissal Policy

Zion Massage College (ZMC) reserves the right to dismiss a student prior to completion of the program when dismissal is warranted based on clearly defined academic, attendance, conduct, or administrative standards as outlined in this catalog and the Enrollment Agreement.

Dismissal decisions are made in a fair, consistent, and non-discriminatory manner and are based on documented violations of published institutional policies.

A student may be dismissed from the program for one or more of the following reasons:

Academic Grounds

- Failure to maintain **Satisfactory Academic Progress (SAP)** after exhausting all applicable Warning and Probation statuses, resulting in **SAP Termination**, as defined in the SAP Policy.
- Failure to complete the program within **150% of the published program length (maximum time frame)**.
- Unsatisfactory academic performance, including failure to meet required course competencies, clinical skills, or grading standards as defined in course syllabi and academic policies.
- Repeated course failure indicating no reasonable likelihood of successful program completion.

Attendance Grounds

- Failure to meet the **published attendance requirements** of the program.
- Excessive absences or failure to make satisfactory attendance progress that prevents completion of required clock hours within the maximum time frame.

Conduct and Professional Standards

- Violation of the **Student Code of Conduct**, institutional policies, or professional ethics standards published in the catalog or student handbook.
- Violation of applicable provisions of the **Utah Massage Therapy Practice Act** or other laws related to student conduct, clinical practice, or professional behavior within the scope of the program.
- Academic dishonesty, including cheating, plagiarism, or theft of institutional or personal property.
- Consumption, possession, distribution, or use of alcohol or illegal drugs on ZMC premises or during any school-related activity, in violation of institutional policy.

Administrative and Safety Grounds

- Conduct that poses a **documented risk to the health, safety, or well-being** of students, clients, faculty, staff, or the campus community, as determined through an objective review of the facts and consistent with published policies.
- Failure to comply with reasonable institutional requirements necessary to maintain a safe and effective learning environment.

Financial and Administrative Compliance

- Failure to comply with financial obligations **after due notice**, excluding delays caused by pending or delayed federal, state, or third-party financial aid disbursements, as required by law.
- Failure to comply with required administrative or enrollment documentation necessary for continued enrollment, provided such requirements are clearly disclosed and lawfully applied.

Dismissal Process

- Students will be notified in writing of dismissal decisions.
- When applicable, students will be informed of any appeal or review options available under institutional policy.
- Dismissal may result in loss of academic credit, ineligibility for continued enrollment, and loss of eligibility for financial aid, as determined by applicable federal, state, and institutional regulations.

Student Grievance Policy

Zion Massage College (ZMC) is committed to providing students with a fair, timely, and accessible process for resolving concerns and complaints related to their educational experience.

Informal Resolution

Students are encouraged, when appropriate, to first attempt to resolve concerns informally by discussing the issue directly with the individual involved.

Formal Grievance Procedure

If the concern is not resolved informally, or if informal resolution is not appropriate, the student may initiate a formal grievance using the following process:

Step 1: Submission of Written Grievance

- The student must complete a **Student Grievance Form**, available at the ZMC front office.
- The completed, signed grievance form must be submitted to the **Program Director**, currently **Christina Frantzen**, who serves as the institution's primary grievance officer.

Step 2: Initial Review and Response

- The Program Director will review the grievance and contact the student to acknowledge receipt.
- A written response or proposed resolution will be provided within **14 calendar days** of receipt of the grievance.

Step 3: Secondary Review (Appeal)

- If the student believes the grievance has not been adequately resolved, or if the grievance involves the Program Director, the student may submit the grievance for secondary review.
- Secondary review will be conducted by a **designated Program Advisory Committee (PAC) representative**, currently **Leisa Wright**.
- The PAC representative may conduct a formal review and will issue a written determination within **14 calendar days** of receipt.

External Complaint Options

Students who believe their grievance has not been satisfactorily resolved through ZMC's internal process, or who wish to file a complaint regarding the school's quality of education or business practices, may contact the following agencies:

Administrative Note

If the individuals named in this policy change, Zion Massage College will update its catalog and consumer disclosures to reflect the current designated grievance officers. Students may also contact the front office for current contact information.

Student Records

Disclosure of Education Records:

Student records are the academic records, which are directly related to a student and maintained by the college. Zion Massage College is committed to the security and privacy of our students. A permanent record file is kept for each student. Students may request to view their file in the presence of the Program Director at any time.

Students may request copies of anything in their file. ZMC will not disclose personally identifiable information from your academic records unless the student provides a written release, which contains:

- What information is requested to be released
- To whom the information is to be released
- The reason the request for a release of records is being made
- The student's signature and the date of the request.

Transcript Policy:

Every graduate will be provided with 1 official transcript upon completion of the program. One transcript will be given as a hardcopy for the student, one will be sealed in an envelope and filed, and one will be sealed and sent to the state. If additional copies are required, students will need to fill out a Transcript Request Form and pay \$5.00.

Student Transfers and Prior Credit:

ZMC accepts transfer credit, toward the completion of the Foundational Massage Therapy Program, from other Institutions which are Accredited by a Federally Recognized Accrediting Agency. To receive credit for prior courses and/or training, the student must submit their official transcripts to rebecca@zmc.edu.

G.I. Bill® recipients must submit documentation for all previous college level courses and relevant work experience to ZMC for review. It is important to note that this requirement is not optional. The VA will not pay for duplicate training. Documentation of prior training will be kept with the student's records.

ZMC will accept up to 500 clock hours of prior credit, which was received no later than 4 years from the date of application to ZMC's Foundational Massage Therapy Program. Transfer credit must be from Institutions, which are accredited by a Federally Recognized Accrediting Agency and must meet ZMC's course and core curriculum requirements for massage therapy licensure. Records will be kept in the student file. Transfer students are subject to ZMC's admissions policies and procedures. However, a tuition discount of \$10.00 per accepted clock hour will be applied to the student's tuition balance. Transfer grades must meet ZMC SAP requirements as referenced in this catalog. "GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government website at <http://www.benefits.va.gov/gibill>."

Grading Policy:

At the end of each course, students will receive an email and/or written update from the instructor of the course, which states the student's final grade. Student Transcripts will be updated on a quarterly basis. Final transcripts are released after students have completed all coursework and have paid all tuition.

Performance of Clinic Modalities Policy:

If the student feels they are not ready to perform the modality in the clinic then they will be considered as not having passed the course. They will need to either 1) retake the final practical exam or 2) retake the entire course. Additional tuition will be charged for any retake courses per policy. 3) They can petition to be exempt from performing the modality in the clinic with sufficient documentation. Until the petition is approved, the student will still be available to be booked for the modality in the clinic.

- Students will be mentored by a Clinic Facilitator in the clinic regarding side lying draping, additional hot stone techniques, body mechanics, massage techniques, etcetera.
- Students will be reminded of the importance of being fully prepared for the day i.e., looking ahead to prepare, adapting in the moment, setting up for the appropriate treatment, etc.

Liability Insurance:

As a part of being enrolled in the 600-hour Foundational Massage Therapy Program at ZMC, students are required to have ABMP liability insurance for the duration of their enrollment. If a student takes a leave of absence or, if for any reason, their program extends beyond the expiration date of their insurance, ZMC requires that students purchase their own personal liability insurance through the ABMP (Associated Bodywork &

Massage Professionals, www.abmp.com). Included in the membership to ABMP, students receive access to Exam Coach for the duration of the program. In addition to offering liability insurance, ABMP offers a variety of benefits that are associated with membership.

MBLEx Requirements

Each student must meet the following criteria before they may apply to take the Massage and Bodywork Licensing Exam (MBLEx):

- Student Tuition Balance must be paid
- Students must have passed the Exam Prep class
- Students must have completed all required courses in the program.
- Students must meet Satisfactory Academic Performance (SAP)

Graduation Requirements

To meet graduation and program requirements, students must complete the following:

1. Complete and pass all required classes of the ZMC Foundational Massage Therapy Program.
2. Pass each course's respective written and practical exams with a minimum of 72% accuracy.
3. Maintain an overall GPA of 2.67 (80%) or greater.
4. Maintain 100% attendance in each respective course
5. Pay ZMC tuition in full.
6. Be at least 18 years of age.

Upon graduation, students are issued a certificate for ZMC's 600-hour Foundational massage therapy program.

Vocational Student Agreement

1. Zion Massage College is a vocational school, which prepares students to obtain Licensure as Massage Therapist.
2. It is the obligation of the student and graduate to:
 - a. Complete all coursework and graduate on time.
 - b. While in school, create a plan to work in the massage therapy industry immediately after graduation.
 - c. Upon graduation, obtain a license where necessary and start working as a professional massage therapist.
3. Self-employment is a common vocational objective of the training, and the student may choose to pursue self-employment to fulfill their vocational objectives upon graduation.
4. It is the student's obligation, while in school and after graduation, to look, to behave, and to speak like a professional bodyworker. The student represents an emerging profession and is expected to conduct themselves with the intention that they contribute to a positive image of massage therapy as a profession to the public.

Licensing Requirements

Zion Massage College prepares students to practice in the state in which training is offered and does not guarantee that the credentials earned in the program will transfer to other states. Although licensure laws vary by state, a license is required in most states to practice massage therapy. It is the student's responsibility to contact the state in which he/she may wish to practice as a licensed massage therapist to determine the specific requirements for licensure. In addition to passing ZMC's required courses, students are required to pass a state or national exam. Currently, the MBLEx is the standard exam, which is used to determine professional competency by the majority of states. Each respective state board or agency determines its own application process and associated fees for licensure. Thus, state licensing processes and fees are subject to change.

Information regarding specific state requirements for licensure can also be obtained by contacting ZMC's Admissions Department. It is important to note that criminal conviction may affect an applicant's ability to obtain licensure. Please contact the Utah Department of Professional Licensing and the ZMC Admissions Department for further information.

Utah Licensure Regulations:

To practice massage therapy in the state of Utah, the following must be completed and sent to Utah's Department of Professional licensing.

1. A Passing MBLEx Exam score
2. Two (2) fingerprint cards
3. Copy of Driver's License or other document(s) showing lawful presence in the US
4. An application fee of \$90.00
5. A completed Utah application for licensure as a massage therapist including any supporting documentation followup to the Qualifying Questionnaire
6. A Criminal History Disclosure Statement
7. Official ZMC Transcript
8. A Verification of Completion of a Formal Massage Education Program.

For more information and to obtain an application for licensure, contact:

Local municipal ordinances may apply in the absence of state law. It is the responsibility of the student to know the licensing requirements for the state/county/municipality that they desire to work in and that they must contact the state/county/municipality to verify licensing information.

Utah Qualification Agreement:

It is important to note that criminal conviction may affect an applicant's ability to obtain licensure. It is the applicant's responsibility to contact the Utah Department of Professional Licensing to determine eligibility for licensure. In addition, please contact the Admissions Department for further information.

Placement Services

In addition to providing graduates with an education which is both diverse and marketable, Zion Massage College is dedicated to assisting graduates in finding a career which meets their professional and lifestyle goals. ZMC's placement services provide recommendation and matching of graduates with local and national employers.

Zion Massage College cannot guarantee employment or salary. However, from a comprehensive education to interview, resume and business plan writing skills, ZMC's students are provided with the tools needed to succeed in today's job market. For up to date information on median pay, please visit the U.S. Bureau of Labor Statistics at the following link: <https://www.bls.gov/ooh/healthcare/massage-therapists.htm>.

Other Services

ZMC offers students the opportunity to participate in extracurricular activities and to build leadership skills through our **"Prana Experiences"** offerings.

The goal of ZMC's Prana Experiences is to foster leadership in our community and for our ZMC community (Students, Graduates, Teachers and Team) to share their respective skills and talents with one another.

If you are part of the ZMC community and have a skill, knowledge, or an activity that you are willing to share, we'd love to help you build your leadership skills while supporting the community.

In the past, we have seen some incredible graduates and students step up and offer meditation, yoga, energy healing, ecstatic dance, cacao ceremonies, lead book clubs, offer a soap-making course, cooking courses, and other fun and meaningful activities.

We'd love to support you in offering an activity or course to the community. One of the goals of ZMC is to create leaders in our field. So, if you have a skill or talent that contributes to health and healing, please contact Rebecca Faraway at rebecca@zmc.edu to get started in sharing and developing your talents and skills.

Student Acknowledgements

Arbitration Agreement:

The student and Zion Massage College (ZMC) agree that any dispute or claim between the student and ZMC (or any company affiliated with ZMC or any of its or ZMC's officers, directors, employees or agents) arising out of or relating to (i) this Enrollment Agreement, or the Student's recruitment, enrollment or attendance at ZMC, (2) the education provided by ZMC, (3) ZMC's billing, financial aid, financing options, disbursement of funds or career service assistance, (4) the enforceability, existence, scope or validity of this Arbitration Agreement, or (5) any claim relating in any manner, to any act or omission regarding Student's relationship with ZMC or ZMC's employees, whether such dispute arises before, during or after Student's attendance at ZMC, and whether the dispute is based on contract, statute, tort, or otherwise, shall be resolved through binding arbitration pursuant to this Section (the "Arbitration Agreement"). Arbitration shall be conducted in accordance with the Commercial Rules of the American Arbitration Association applying federal law to the fullest extent possible, and the substantive and procedural provisions of the Federal Arbitration Act (9 U.S.C. §§1-16) shall govern this Arbitration Agreement and any and all issues relating to the enforcement of the Arbitration Agreement and the arbitrability of claims between the parties. Judgment upon the award rendered by the Arbitrator may be entered in any court having competent jurisdiction. There shall be no right or authority for any claims within the scope of this Arbitration Agreement to be arbitrated or litigated on a class basis, or for the claims of more than one Student to be arbitrated or litigated jointly or consolidated with any other Student's claims. Each party shall bear the expense of its own counsel, experts, witnesses, and preparation and presentation of proofs. This arbitration agreement limits certain rights, including the right to maintain a court action, the right to a jury trial, the right to participate in any form of class or joint claim, the right to engage in discovery (except as provided in the applicable arbitration rules), and the right to certain remedies and forms of relief. Other rights that the student or ZMC would have in court also may not be available in arbitration. Right to reject: The student may reject the

Arbitration Agreement by mailing a signed rejection notice to ZMC within 30 days after the date of signing the Enrollment Agreement. Any rejection notice must include name, address, and telephone number.

Photo Release:

The student may allow the Company to use their photo and testimonial in any and all media and marketing material, which may include catalog, video, commercial and/or website. This may include classroom, clinical, student life, or special event settings.

Field Trip Release:

As part of the educational experience the student may participate in off campus field trips. The student must sign a document releasing the school of any/all liability while participating in these off-campus events. Students unable to participate in these functions will have alternative classes available to them.

Confidentiality on the Part of the Student:

During attendance at the school and thereafter, students will have access to confidential information belonging to the school including, but not limited to, course syllabi, tests, handouts, educational processes, and other proprietary instructional collateral. Except as required by law, the student agrees not to reproduce, distribute, or disclose any such confidential information to anybody outside the school during or after their attendance at the school. Any violation of the agreement in this paragraph may cause the school irreparable harm and so the school shall be entitled to injunctive relief in addition to any other relief it might seek for such a violation.

Confidentiality on the Part of Zion Massage College (FERPA):

The Family Educational Rights and Privacy Act (FERPA) is a Federal law passed by the U.S. Congress in 1974. The law protects the privacy of a student's education records and outlines the rights of students who attend a postsecondary school such as Zion Massage College. FERPA deals specifically with student's educational records, affording them certain rights with respect to those records. Students have the right to inspect and review their educational records, the right to seek their records amended, and the right to have some control over the disclosure of information from the records.

Zion Massage College may not disclose information contained in education records without the student's written consent, except under certain limited conditions as outlined by FERPA. For more information regarding FERPA contact the U.S. Department of Education.

Visitors on Campus:

All visitors must sign in at the ZMC front office and receive a visitor pass before visiting a classroom or any area on campus. Visitors include all persons that are not currently enrolled as a student, actively employed, or contracted by Zion Massage College.

ZMC Student Massage Clinic Contract and Guidelines

The Student Clinic allows you to work on many different types of individuals with a variety of preferences and needs. The Student Clinic provides a supportive and safe environment in which to develop your intuition, precision and healing abilities. These skills can only be developed through sincere effort and practice.

Clinical Evaluation

The Student Clinic is a graded course. As such, students will be required to pass one or more formal clinical evaluations by a ZMC staff member. In addition, students will receive feedback via a client evaluation form. Client feedback will be reviewed by Clinic Facilitator and any pertinent information shared with the student.

In the event that a student's performance in the clinical setting is deemed unsatisfactory or unacceptable, the clinic facilitator will promptly discuss any identified deficiencies with the student. The student will be informed of the objective criteria which needs improvement. The student will be given recommended measures to correct the deficit(s), and will be informed of their current status in the course. The student may be required to sign a

Communication Form in acknowledgment of having been advised of the Clinic Facilitator's concerns. The Communication Form will become a part of the student's record.

Liability Insurance

As a benefit of being enrolled in the 600-hour Foundational Massage Therapy Program at ZMC, students are provided with liability insurance for a period of one year from the start of their enrollment. If a student takes a leave of absence or, if for any reason, their program extends beyond the one-year time period, ZMC requires that students purchase their own personal liability insurance through the ABMP (Associated Bodywork & Massage Professionals, www.abmp.com) or the AMTA (American Massage Therapy Association, www.amta.com). These two professional organizations offer low cost liability insurance to both massage therapy students and licensed massage therapists.

Clinical Lateness

Consistent attendance is required to demonstrate adequate performance. The student is expected to be on time and to attend all clinical experiences. **On time is defined as 15 minutes before** the start of a clinic shift. If a student is unable to attend the clinic or will be late, the student must notify the Clinic Facilitator in advance and find another student to fill the shift. Failure to make proper notification will result in a 5-point grade reduction. If a student therapist is late in starting a scheduled massage session, he or she will be required to complete the scheduled massage and will not receive credit for that hour. **Each clinic tardy will result in the student becoming ineligible to receive massage therapy sessions in the student clinic for the upcoming month.**

Clinical Absences

100 clinical hours are required for all ZMC Massage Therapy students. Absences will be reflected in the Satisfactory Academic Progress of the student. Unexcused absences will result in a 10-point grade reduction per missed clinic shift (5 pts in Participation and 5 pts in Professionalism). Every unexcused absence results in the completion of two one hour massages for each one hour massage missed. Students will receive a communication form for every unexcused absence. After 3 unexcused shifts, the student will be pulled from the clinic, given an EIP Communication Form, and may be required to retake the clinic course.

If a student must miss a scheduled clinic, they should trade shifts with another student and notify the Clinic Facilitator of the change. There is no penalty for trading shifts with another student therapist. The clinic schedule coordinator can be reached at clinc@zmc.edu or by phone during regular business hours at 435-628-1150.

Absences due to the following extenuating circumstances will be excused if official documentation is produced within five (5) days of the absence: 1) court dates, 2) funeral of immediate family member/significant other, 3) emergency medical care or hospitalization of the student (not regular appointments), 4) emergency medical care or hospitalization of the student's immediate family member or person for whom they provide direct or emotional, physical, or financial care and 5) military obligations (reviewed on an individual basis). A student who misses a significant amount of clinic due to the above circumstances or does not show for their clinic shift will be required to make up clinic days before proceeding or withdraw from the course at the discretion of ZMC Directors. **All missed clinic time must be made-up during scheduled clinical hours onsite in the ZMC clinical setting.**

Any **schedule changes** must be made with the Clinic Facilitator a minimum of **14 days in advance** of the date in question. It is important that the student communicates clearly regarding the date in question as well as the clinic hours they need to be removed from or added to. All schedule changes **MUST** be submitted on the official schedule add/change form to the Clinic Facilitator a minimum of 14 days in advance.

Clinic is open all year around with the exception of a few select Holidays. Once the student adds an ongoing schedule, even if it lands over a break or Holiday Season, the student is responsible for that schedule. Please refer to the last page of your Student Catalog at <https://zmc.edu/zmc-catalog-and-student-forms/> for the specific dates.

Personal and Professional Legal, Moral, and Ethical Behaviors

A student enrolled in ZMC's Massage Therapy Program is expected to display conduct in accordance with the legal, moral and ethical standards of the therapeutic massage profession and the community. Each student is accountable

for individual behavior and is expected to act in a responsible, mature manner that reflects the qualities of honesty, integrity, courtesy, reliability, and responsible interpersonal skills. Profanity, derogatory comments, and emotional responses which inhibit learning or effective functioning will not be permitted, and may result in a lowering of a course grade. Harassment based on gender, sexual orientation, race, color, religion, national origin, ethnicity, veteran status or disability will not be permitted.

Behavior must not interfere with student/staff/faculty/client relationships. Honesty is expected of all massage therapy students in the lecture, laboratory and clinic. Acts of lying, cheating, plagiarism, forgery, alteration and/or falsification of clinical documents, written work, or academic records will not be permitted.

Failure to comply with the above legal, moral and ethical standards may result in lowering of course grade, failure of the course, dismissal from the course and/or possible dismissal from the program. Such conduct is in violation of ZMC's Code of Ethics

Physical or Emotional Jeopardy

A student who places a client or clients in either emotional or physical jeopardy will be dismissed from the program. Physical or emotional jeopardy (either intentional or unintentional) is described as, but not limited to: causing clients harm or injury, placing client(s) at risk for harm or injury, causing a client emotional distress, disregard for client(s) safety, placing client(s) physical or emotional health in jeopardy for personal advancement or gain (e.g., falsifying documents, not reporting errors/incidents, failure to report client status to Clinic Facilitator).

Confidentiality

The student must act to protect confidentiality in all situations. Information or incidences related to clients will be discussed with the Clinic Facilitator in appropriate surroundings only. **The student will not discuss these issues with other clients, students, friends, family or in public places. The student will refer to clients and staff by initials only on written work or while relating clinical experiences in the classroom setting, and will exercise caution as to the location and disposition of clinical data.** A student cannot, under any circumstances, photocopy or electronically reproduce any portion of a client's chart or personal records for use outside the clinic. All client information must remain at ZMC and should never be taken outside of the school environment. In addition, acquiring personal client information is a Federal violation of HIPPA regulations. Upon graduation, students may give ZMC clients their contact information. However, under no circumstances can a student or graduate take the client's personal information outside the school environment.

Responsibilities/Expectations in the Clinical Setting

ZMC's Massage Therapy Program acknowledges its responsibility to educate its students while maintaining the public trust. The massage therapy student has additional responsibilities as a member of the health care team to ensure the emotional and physical safety of clients during the educational process:

- The student must come to clinic demonstrating preparation to give responsible, safe client care.
- The student will perform client care only when a Clinic Facilitator is present during scheduled clinic times or for supervised outreach events. A Clinic Facilitator must be present at all times during any form of clinical experience.
- The student may only use massage techniques from courses in which the student has received a passing grade (minimum 72% or better).
- The student is responsible to seek the assistance of the Clinic Facilitator in clinic before proceeding with new, unfamiliar, or uncertain aspects of client care.
- The student is to follow clinic policies and procedures.
- The student is expected to set up and take down massage table and chairs quietly during every shift.
- If a student is tardy for clinic without prior notification, the Clinic Facilitator has the option of not permitting that student to participate in client care for the day and/or dismissing the student from the clinic. Notification of absence from clinic must be made directly to the Clinic Facilitator.
- The student must be physically and emotionally capable of effective, safe clinical performance. If the Clinic Facilitator determines that a student's behavior places a client at risk for physical or psychological injury, that

student will be dismissed from the clinical area.

- The student may be removed if the student's continued presence disrupts the learning process for other students.
- The use of cell phones or any electronic devices (including headphones) is prohibited unless used for a clock in the room if necessary. Any use of cell phones outside of this exception will result in disciplinary action. Please note, cell phone use as a clock must be pre-approved through the submission and approval by a petition.

Any violation of these established standards may result in the immediate removal from the clinical or event setting, dismissal from the course and/or the Massage Therapy Program. In addition, the student's actions may be subject to review by the college.

Student Responsibility to Report

It is the responsibility of any student who observes or has direct knowledge of another student in a condition which impairs the ability to perform clinical duties, or poses a hazard to the safety and welfare of others, to promptly report the incident to the instructor.

Dress Code/Grooming

Student apparel and grooming must conform to health, sanitation, and safety standards. The student is required to follow the dress code set forth herein, in the clinic setting and at college-related events:

- Clothing which is determined to be less than professional for a student in the clinic setting is not appropriate.
- Uniforms are to be clean, free of stains and wrinkles, and must fit appropriately. Very tight fitting clothing or very loose fitting clothing is considered inappropriate.
- An official ZMC shirt is required for the clinical internship. Shirts must have sleeves which cover the armpit. Cleavage and midriffs must be completely covered and necklines must be within at least two inches of the top of the sternum.
- Grey or Black tightly-woven professional, semi-professional or uniform pants are required. Hemlines should remain between the upper heels of the student's shoes and the tops of shoes.
- Inappropriate attire includes: jeans or jean-style pants, stretch pants or leggings, sweatpants, ribbed or corduroy materials, cropped or Capri-style pants, and/or shorts.
- Shoes must be worn at all times in class and clinic unless actively giving a massage and standing within 3 feet of your massage table or actively performing Ashiatsu - Barefoot Massage Flow and walking between a foot washing station and your table during the Ashiatsu - Barefoot Massage Flow session. The client should never see the student therapist without shoes.
- Hair must be pulled back and/or arranged off the collar. A student is to be clean shaven, or if a beard or mustache is worn, it must be neat, clean and well-trimmed.
- No rings, bracelets, watches or long necklaces shall be worn. These items can injure clients, damage equipment, and are a source of contamination. Other jewelry that does not conform to reasonable health, sanitation and safety standards shall not be worn during the clinic.
- Fingernails are to be shorter than the end of the finger, such that they will not scratch the client. Fingernails shall also be clean, and neatly manicured. Artificial nails are not permitted in the clinic area. Nail polish must be clear or natural pastel in color and chip free (blue, purple, black, green, yellow, red, and metallic are not permitted).
- Excellent personal hygiene practices (bathing, clean groomed hair and brushing teeth) are required. The student shall be free of potentially offensive odors such as body odor, bad breath, cigarette smoke, and other strong smells..
- Smoking on ZMC premises is unacceptable.

Failure to comply with the dress code may result in dismissal from the clinical area, a conference with the Clinic Facilitator, and/or a lowering of the course grade by 5 points per instance. Exceptions to the dress code may be made with the prior written approval from ZMC's Director.

Protocol for Non-Compliance with Dress Code Policy:

- If a student arrives out of dress code, the following steps will be taken:
 - Participation points will be deducted
 - Instructor will discreetly notify the student using a violation card
- The student will then have two options:
 1. Go home and change into the correct attire (note: missed class time must be made up to maintain 100% attendance)
 2. Visit the front desk during office hours to:
- Purchase a shirt – \$12.50
- Rent pants – \$20 (If rented pants are returned, \$10 will be refunded)

Injury En Route to Clinical or College-Related Events

Neither ZMC nor the facility where a ZMC-related event takes place is responsible for any personal injury or injury to property which may occur while a student is traveling to or from clinic or ZMC-related events.

Clinical Internship Expectations

ZMC actively supports diversity within the student body, staff, faculty, clinic clients, and individuals or groups associated with the college. The student is expected to perform massages and to be a recipient of massages by people of other genders, various ages, ethnicities, religions, sexual orientations, body types, personality types and lifestyles.

- The student is to be open to the expression of feelings and emotions. Touching and being touched typically result in an intensified awareness of personal feelings. The student is encouraged to deepen their self-knowledge through exploration and appropriate expression of sensations and emotions; and is expected to be respectful, sensitive, and attentive to the feelings of classmates.
- The student is expected to accept and support change and growth in oneself and one's classmates. In addition, the student is expected to address their own personal issues which may arise.
- The student is expected to be receptive to constructive feedback from classmates, instructors, and clinic clients regarding the student's knowledge, skills, personal hygiene, and appropriate behavior in order to assist the student to improve.
- The student is expected to provide feedback to the instructor and fellow classmates during practice and self-care sessions. For example, if the student experiences pain or discomfort, it is the student's responsibility to immediately inform the individual performing the massage. After the student has voiced their preference and/or concern, it is the responsibility of the individual performing the massage to communicate and to ensure that their techniques are adjusted to the comfort level of the recipient of the massage. This includes, but is not limited to other areas of study such as palpation, draping and endangerment sites. Student practitioners, student recipients and guests (from the public) must all work together to ensure an effective massage therapy session.

Handwashing guidelines

Washing hands is required before and after performing massage on a classmate or client, after using the toilet, after blowing or wiping the nose, after eating, or after smoking. The following procedure shall be used:

- Use a gentle stream of hot but not scalding water. Leave water running throughout the hand washing procedure.
- Wet hands, wrists, forearms and elbows.
- Apply cleaning agent, preferably from a dispenser, since bar soap can carry bacteria. If hands come into contact with tears, blood, oozing eczema, feces, or any other bodily fluid, use Betadine to prevent the spread of Hepatitis B, HIV, or other bacterial or viral substance.
- Spread cleaning agent over the entire area, gradually adding water to make plenty of lather.
- Scrub hands, between fingers, around nail beds and under nails.
- Continue washing with lather for a minimum of 60 seconds.
- Rinse all lathered areas.
- Dry hands completely with a paper towel, then use the towel to cover the faucet knob and turn off the water.

Standard Precautions

The student is required to know and use universal precautions and safeguards against the spread of infectious conditions, as presented in lecture, laboratory or clinic and as follows:

- A student who is experiencing abnormal or uncontrollable secretion or excretion of bodily fluids (e.g. abnormal bleeding, vomiting or diarrhea) should not give or receive massage until the condition resolves.
- A student who has a highly contagious infection, including (but not limited to) chicken pox, measles, strep throat, serious flu infection, or infectious skin condition (e.g. impetigo, scabies, staph infection), shall not give or receive massage until the condition has passed the infectious stage. The student should not attend laboratory or clinic if the condition is highly contagious in order to avoid infecting others.
- A student who has broken skin on hands due to cuts, burns, abrasions, chapping, damaged cuticles or other conditions shall wear disposable gloves or a finger cot over an adhesive bandage.
- The student shall wear gloves when there is potential for direct contact with bodily fluids, mucous membranes, non-intact skin of clients, handling of items or surfaces soiled with blood or bodily fluids.
- The student must follow procedures taught in the therapeutic massage courses for sanitizing equipment and supplies. This includes sanitizing the massage table and face cradle at the end of every massage session.
- Fresh linens must be used for every session. Dirty linens must be separated from clean linens appropriately.

Practicing Massage Therapy Before Graduation from the Program

The student will be assigned homework that will include performing massage practice sessions on friends or family members. When fulfilling such homework requirements, the student is expected to follow the following guidelines:

- Choose healthy clients with no contraindicating medical history.
- Choose clients that the student knows and trusts.
- Choose clients who will give accurate feedback regarding pain and discomfort.
- Ensure that the client knows that this is a practice session in order for the student to improve skills and fulfill course requirements.
- Use the term “practice session”. Do not use the term “appointment.”
- Represent themselves as a student of massage therapy. A student cannot, under any circumstances represent themselves as a massage therapist or use any designation that implies that the student is qualified to provide professional services.

Tipping and Taking Payment

According to Utah Law, the student is not allowed to receive compensation for massage therapy practice sessions outside of supervised clinic sessions.

- Payment and tips for trades, practice, homework, or any other sessions **cannot be accepted** while attending school. Payment and tips can only be accepted once the student has become a Licensed Massage Therapist.
- The only exception to this is in clinic. When under the supervision of the clinic facilitator, students can accept tips given to them by clients in the student clinic for sessions completed at ZMC.
- Tips can only be taken in cash. Use of any cash apps such as Venmo is not permitted.

Sheets and Draping Supplies

ZMC students are required to bring the following supplies to clinic.

- Up to six sets of Full Draping (Top sheet, bottom sheet and face cradle cover)
- Lotion or Oil (unscented)
- Wet Wipes (if needed to wash off your hands during the massage and to clean the table at the end of the clinic session).

The following supplies are suggested but not required:

1. A bolster for the client's ankles in prone position and under the client's knees in supine position. (Students may not use ZMC supplies (such as yoga mats) to form makeshift bolsters.)
2. A small blanket or throw to ensure client's warmth and comfort.
3. An oil holster to minimize oil spills.

Massage Benefit

ZMC provides an opportunity for students who are **actively** participating in the clinical internship (by giving at least five massages per week) to receive up to two complementary massages per month. Additional massage sessions are available at a discounted rate. Please be aware that complementary massages for students are not an entitlement. Complementary massage sessions will be the first appointments to be rescheduled if there is an issue with scheduling in the student clinic and are not transferable to another month.

Clinic Materials Provided:

Students will receive two ZMC shirts at their [clinic orientation](#). Additional ZMC shirts cost \$25.00 each.

Crime Prevention and Security Procedures Awareness

At Zion Massage College, we prioritize the safety and security of our entire campus community. All new students and staff members are informed about our campus security procedures and policies. Acknowledgment of these procedures is confirmed by signing the signature page of the Zion Massage College Enrollment Agreement.

Our program is designed to highlight the importance of personal responsibility for security, including the protection of personal property and the safety of others. We encourage all community members to be proactive in maintaining a secure environment.

Through our internal awareness and reporting network, overseen by our campus security authorities, we aim to minimize or eliminate potential security issues. This collective effort helps ensure a safe and secure campus for everyone.

For more detailed information on security policies and procedures, please refer to the Zion Massage College disclosures available online.
